- (a) The ICAV shall forthwith after its incorporation and before the issue of any shares (other than the Subscriber Shares) appoint:-
- (i) a person, firm or corporation to act as Depositary and shall entrust the assets of the ICAV to the Depositary for safe keeping;
 - (ii) a person, firm or corporation to act as AIFM of the ICAV (which may be the same entity as the Portfolio Manager), provided that the ICAV may determine that it shall be an internally-managed AIF, in which case the ICAV shall be the AIFM; and
 - (iii) a person, firm or corporation to act as Administrator or Registrar and Transfer Agent of the ICAV, or shall procure that the AIFM shall appoint a person, firm or corporation to act as Administrator or Registrar and Transfer Agent of the ICAV.

The AIFM may also appoint a person, firm or corporation to act as Portfolio Manager to the ICAV or any Sub-Fund thereof (and the Portfolio Manager may, in turn, appoint any sub-portfolio manager) and the Directors may entrust to and confer upon the Portfolio Manager and any sub-portfolio manager so appointed any of the powers, duties, discretions and/or functions exercisable by them as Directors, upon such terms and conditions, including the right to remuneration payable by the ICAV or AIFM, and with such powers of delegation and such restrictions as they think fit.

- (b) The terms of appointment of any Depositary may authorise such Depositary to appoint (with powers of sub-delegation) sub-custodians, nominees, agents or delegates at the expense of the Depositary or otherwise and to delegate any of its functions and duties to any person or persons so appointed, provided that such appointment shall first have been notified to the ICAV and is in accordance with the requirements of the Central Bank and provided further that any such appointment insofar as it relates to an appointment in relation to the assets of the ICAV shall terminate forthwith on termination of the appointment of the Depositary. For the avoidance of doubt the Depositary may not delegate the performance of any of its fiduciary duties or discretions and its liability shall not be affected by the fact that it has entrusted to a third party some or all of the assets in its safe-keeping save that the Depositary may discharge itself of liability in accordance with, and subject to, the conditions set out in the AIFMD Regulations, including without limitation Regulation 22(13) and Regulation 22(14) and, if applicable, the Depositary Agreement.

Where the AIFM appoints a Portfolio Manager, the foregoing provisions shall apply *mutatis mutandis*.

- (h) If within the notice period set out in any agreement between the ICAV and the Depositary from the date on which the Depositary notifies the ICAV of its desire to retire, or from the date on which the Depositary ceases to be approved by the Central Bank no replacement Depositary shall have been appointed, the Directors may resolve to repurchase all of the shares in issue or the Secretary, at the request of the Directors or the Depositary, shall forthwith convene an extraordinary general meeting of the ICAV at which there shall be proposed a resolution to wind up the ICAV and if a resolution is passed to wind up the ICAV in accordance with Part 11 of the Companies Act, as modified by the ICAV Act, the liquidator shall distribute the assets of the ICAV in accordance with the provisions of Clause 37 hereof but in any

The maximum amount of shares which may be allotted or issued under the authority hereby conferred shall be 500 billion shares of no par value, provided, however, that any shares which have been redeemed shall be deemed never to have been issued for the purpose of calculating the maximum amount of shares which may be issued.
- (d) The Directors may delegate to the Administrator or Registrar and Transfer Agent or to any duly authorised Officer or other person, the duties of accepting the subscription for, receiving payment for and allotting or issuing new shares.

- (e) The Directors in their absolute discretion may refuse to accept any application for shares in the ICAV or may accept any application in whole or in part.
- (f) No person shall be recognised by the ICAV as holding any shares on trust and the ICAV shall not be bound by or recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any shares or (except only as otherwise provided herein or as by law may be required) any other right in respect of any share, except an absolute right of title thereto in the registered holder.
- (g) At any time after the issue of shares, and subject to applicable law, the ICAV shall be entitled to redeem the Subscriber Shares or to procure the transfer of the Subscriber Shares to any person who may be a qualified holder of shares in accordance with Clause 12 hereof.
- (h) The ICAV may from time to time by Ordinary Resolution increase its capital by such number of shares as the resolution shall prescribe.
- (i) In addition to any rights of the ICAV specifically conferred by this Instrument of Incorporation to reduce its share capital, the ICAV may, by Special Resolution, from time to time reduce its share capital in any way and, in particular, without prejudice to the generality of the foregoing power, may with or without extinguishing or reducing liability on any of its shares:-

 - (ii) sub-dividing its shares, or any of them, into a larger number of shares; or
 - (iii) cancelling any shares which, at the date of the passing of the Ordinary Resolution in that behalf have not been taken, or agreed to be taken, by any person, and diminish the amount of its share capital by the amount of the shares so cancelled.
- (k) The assets of an ICAV shall belong exclusively to the ICAV and no Shareholder has any interest in the assets of the ICAV.

5. THE SUB-FUNDS, CLASSES AND SEGREGATED LIABILITY

- (a) The ICAV is an umbrella fund with segregated liability between Sub-Funds and each Sub-Fund may be comprised of one or more classes of shares in the ICAV. With the approval of the Central Bank, the Directors from time to time may establish additional Sub-Funds by the issue of one or more separate classes of shares on such terms as the Directors may resolve. Certain Sub-Funds may be established as closed-ended Sub-Funds, limited liquidity Sub-Funds or open-ended Sub-Funds, as specified in the Prospectus and subject to the conditions set down by the Central Bank. The ICAV may establish classes which may be differentiated on the basis of Class Currency, subscription/redemption procedures, distribution policies or charging

structure, hedging policies or other criteria disclosed in the Prospectus. The creation of further classes in a Sub-Fund must be effected in accordance with the requirements of the Central Bank.

- (b) Shares may be issued with such voting rights and rights to participate in or receive profits or income arising from the acquisition, holding, management or disposal of assets of a Sub-Fund or of the ICAV as the Directors from time to time may determine and set forth in the Prospectus. The Directors may restrict the voting rights attaching to any class of shares. In particular, and without prejudice to the generality of the foregoing, the Directors may issue one or more classes of shares the voting rights of which shall be restricted on the basis that the holders shall be precluded from voting in respect of any Ordinary Resolution and any Special Resolution **PROVIDED THAT** any such resolution shall not become effective unless the holders have been provided with a certain number of days' notice of the date on which the particular resolution is to be effected as is set forth in the Prospectus. The decision to subscribe for any class of shares in respect of which the voting rights are restricted is made solely by the investor.
- (c) Where permitted in the circumstances described in the Prospectus, the Directors are hereby authorised from time to time to re-designate any existing class of shares in the ICAV and merge such class of shares with any other class of shares in the ICAV, **PROVIDED THAT** Members in such classes are first notified by the ICAV and given the opportunity to have the shares redeemed. With the prior consent of the Directors, Members may convert shares in one class of shares into shares of another class in the ICAV in accordance with the provisions of Clause 10 hereof.
- (d) For the purpose of enabling shares of one class to be re-designated or converted into shares of another class, the ICAV may take such action as may be necessary to vary or abrogate the rights attached to shares of one class to be converted so that such rights are replaced by the rights attached to the other class into which the shares of the original class are to be converted.
- (e) The records and accounts of each Sub-Fund shall be maintained separately and the assets and liabilities of each Sub-Fund shall be allocated in the following manner:-
 - (i) the proceeds from the issue of each Share shall be applied in the books and records of the Sub-Fund established for that Share, and the assets less the liabilities plus income less expenditure attributable thereto shall be applied to such Sub-Fund subject to the provisions of this Instrument of Incorporation;
 - (ii) where any asset is derived from another asset (whether cash or otherwise), the derived asset shall be applied to the same Sub-Fund as the assets from which it was derived and on each revaluation of an asset the increase or diminution in value shall be applied to the relevant Sub-Fund;
 - (iii) in the case of any asset which the Directors do not consider as attributable to a particular Sub-Fund, the Directors shall have discretion, subject to the approval of the Depositary, to determine the basis upon which any such asset shall be allocated between Sub-Funds and the Directors shall have the power at any time, subject to the approval of the Depositary, to vary such basis provided that the approval of the Depositary shall not be required in any such case where the asset is allocated between all Sub-Funds pro rata to their Net Asset Values at the time when the allocation is made; and

- (iv) the Directors shall have the discretion, subject to the approval of the Depositary, to determine the basis upon which any liability (which, without limitation, may include all operating expenses of the ICAV such as stamp duties, taxes, brokerage or other expenses of acquiring and disposing of investments, the fees and expenses of the auditors and legal advisers, the costs of printing and distributing reports, accounts and any prospectus, publishing prices and any relevant registration fees etc.) shall be allocated between the Sub-Funds (including conditions as to the subsequent re-allocation thereof if circumstances so permit) and shall have the power at any time and from time to time to vary such basis, provided that the approval of the Depositary shall not be required in any such case where a liability is allocated between the Sub-Funds pro rata to their Net Asset Values,

PROVIDED THAT when issuing a class of shares in regard to any Sub-Fund, the Directors may allocate Commission, Duties and Charges and ongoing expenses on a basis which is different from that which applies in the case of shares in other classes in the Sub-Fund.

- (f) Notwithstanding any enactment or rule of law to the contrary, any liability incurred on behalf of or attributable to any Sub-Fund shall be discharged solely out of the assets of that Sub-Fund, and neither the ICAV nor any Director, receiver, liquidator, provisional liquidator or other person shall apply, nor be obliged to apply, the assets of any such Sub-Fund in satisfaction of any liability incurred on behalf of, or attributable to, any other Sub-Fund.
- (g) There shall be implied in every contract, agreement, arrangement or transaction entered into by the ICAV (whether acting in its own capacity or on behalf of a particular Sub-Fund or Sub-Funds) the following terms, that:-
 - (i) the party or parties contracting with the ICAV shall not seek, whether in any proceedings or by any other means whatsoever or wheresoever, to have recourse to any assets of any Sub-Fund in the discharge of all or any part of a liability which was not incurred on behalf of that Sub-Fund;
 - (ii) if any party contracting with the ICAV shall succeed by any means whatsoever or wheresoever in having recourse to any assets of any Sub-Fund in the discharge of all or any part of a liability which was not incurred on behalf of that Sub-Fund, that party shall be liable to the ICAV to pay a sum equal to the value of the benefit thereby obtained by it; and
 - (iii) if any party contracting with the ICAV shall succeed in seizing or attaching by any means, or otherwise levying execution against any assets of a Sub-Fund in respect of a liability which was not incurred on behalf of that Sub-Fund, that party shall hold those assets or the direct or indirect proceeds of the sale of such assets on trust for the ICAV and shall keep those assets or proceeds separate and identifiable as such trust property.
- (h) All sums recoverable by the ICAV as a result of any such trust as is described in Clause 5(g)(iii) shall be credited against any concurrent liability pursuant to the implied terms set out in Clause 5(g).
- (i) Any asset or sum recovered by the ICAV pursuant to the implied terms set out in Clause 5(g) or by any other means whatsoever or wheresoever in the events referred to in Clause 5(g) shall, after the deduction or payment of any costs of recovery, be applied so as to compensate the Sub-Fund affected.

- (j) In the event that assets attributable to a Sub-Fund are taken in execution of a liability not attributable to that Sub-Fund, and in so far as such assets or compensation in respect thereof cannot otherwise be restored to that Sub-Fund affected, the Directors, with the consent of the Depositary, shall certify or cause to be certified, the value of the assets lost to the Sub-Fund affected and transfer or pay from the assets of the Sub-Fund or Sub-Funds to which the liability was attributable, in priority to all other claims against such Sub-Fund or Sub-Funds, assets or sums sufficient to restore to the Sub-Fund affected, the value of the assets or sums lost to it.
- (k) A Sub-Fund is not a legal person separate from the ICAV but the ICAV may sue and be sued in respect of a particular Sub-Fund and may exercise the same rights of set-off, if any, as between its Sub-Funds as apply at law in respect of an Irish collective asset-management vehicle and the property of a Sub-Fund is subject to orders of the court as it would have been if the Sub-Fund were a separate legal person.
- (l) Separate records shall be maintained in respect of each class of shares and each Sub-Fund.
- (m) From time to time, a portion of a Sub-Fund's assets may consist of one or more investments that the ICAV, the AIFM or any of their delegates determine, in their sole discretion, (such determination, a "**Special Investment Event**") to be subject to restrictions on disposal or valuation, including without limitation, regulatory, contractual, practical, operational, legal or other restriction (each such investment or investments together with any assets and liabilities determined by the ICAV, the AIFM or any of their delegates, in their sole discretion, to be related to such securities, investments or other assets, including, without limitation, positions used to hedge such securities, investments or other assets and any cash or other liquid assets allocated in order to fund expenses or expected future capital commitments with respect to such security or other assets, and the Sub-Fund's claims for recovery of amounts in respect of such securities, investments or other assets and such cash or liquid assets as the ICAV or its delegate may determine is referred to herein as a "**Special Investment**"). Upon the occurrence of a Special Investment Event, the relevant Special Investments will be allocated to a new Sub-Fund or class of Shares within a Sub-Fund, (the "**Special Investment Sub-Fund**" or "**Special Investment Share Class**") and each Shareholder in the relevant Sub-Fund will be issued Shares in the Special Investment Sub-Fund or Special Investment Share Class pro rata to their shareholding in the Sub-Fund (by way of conversion or redemption and reissuance) on the date of creation of the Special Investment Sub-Fund or Special Investment Share Class. Where a Special Investment Sub-Fund or Special Investment Share Class is created, Shares will be issued in an equivalent class (or classes) to the class (or classes) of Shares in the Sub-Fund which the relevant Shareholders held on such date, without any obligation on the relevant Shareholders to take any other action and without the requirement for any notice to be served on such Shareholder.
- (n) The Net Asset Value of a Special Investment Sub-Fund or Special Investment Share Class will be calculated as if it were a Sub-Fund of the ICAV, and such calculation shall be in accordance with the terms of this Instrument of Incorporation. For the purpose of determining the number of Shares in a Special Investment Sub-Fund or in Special Investment Share Class to be issued to each relevant Shareholder, the initial Net Asset Value per Share shall be such amount as the ICAV, the AIFM or its delegate may determine. Shares in a Special Investment Sub-Fund or Special Investment Share Class may also be designated in the Base Currency of any Shares which were redeemed in conjunction with the issue of such Shares, however, the currency exposure of any such Special Investment Sub-Fund or Special Investment Share Class may not be hedged into the relevant Base Currency and holders of such Shares may bear the risk of any

currency fluctuations between the relevant currency and the relevant Base Currency and will also bear the costs and expenses of any currency conversion in connection with distribution or redemption payments made to such Shareholder.

- (o) In the event the ICAV, the AIFM or any of their delegates determine, in their sole discretion, that a Special Investment Sub-Fund or Special Investment Share Class no longer constitutes a Special Investment, the ICAV, the AIFM or any of their delegates may determine to reallocate the Special Investment(s) or the proceeds of realisation of same to the relevant Sub-Fund, in which case it will also mandatorily redeem all or a portion, as applicable, of the relevant Shares in the Special Investment Sub-Fund or Special Investment Share Class. Additional Shares in the appropriate class (which class may be determined by the ICAV, the AIFM or any of their delegates in their sole discretion) may be issued to Shareholders in the Special Investment Sub-Fund or Special Investment Share Class who also continue to be Shareholders in the relevant Sub-Fund to reflect their pro rata value of Shares relating to the Special Investment(s) or the proceeds of realisation of same, as may be adjusted by the ICAV, the AIFM or any of their delegates in their sole discretion. In the case of Shareholders who no longer hold Shares in the Sub-Fund, or otherwise as the ICAV, the AIFM or any of their delegates may determine, Shares in a Special Investment Sub-Fund or Special Investment Share Class may be mandatorily redeemed and the redemption proceeds paid in accordance with the procedures set out in any of Clauses 15 (Redemption of Shares), 16 (Total Redemption) or 37 (Winding Up and Termination).

The Directors may decline to register any transfer of debentures at their absolute discretion. Without limitation the Directors may decline to register any transfer of debentures unless the instrument of transfer is deposited at the registered office of the ICAV or at such other place as the Directors may reasonably require, with such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer.

7. CONFIRMATIONS OF OWNERSHIP AND REGISTERS

(ii) any other body corporate which is the ICAV's subsidiary or holding company, or a subsidiary of the ICAV's holding company,

which are held by, or in trust for, him or her, his or her spouse or any child of his or hers of which he or she has any right to become the holder (whether on payment or not).

(h) The Register of Directors' Holdings shall be kept at the same office as the Register of Members is kept, and shall be open to inspection during business hours (subject to such reasonable restrictions as the Directors may determine or as the ICAV may in general meeting impose, so that not less than 2 hours in each day be allowed for inspection) by any Member or holder of debentures of the ICAV. The Register of Directors' Holdings shall also be produced at the commencement of the ICAV's annual general meeting (if any) and shall remain open and accessible during the continuance of the meeting to any person attending the meeting.

(i) The Directors shall not be bound to register more than four persons as the joint holders of any share or shares. In the case of a share held jointly by several persons, the Directors shall not be bound to issue therefor more than one written confirmation of ownership and the issue of a written confirmation of ownership for a share to the first named of several joint holders shall be sufficient delivery to all.

(j) Where two or more persons are registered as the holders of any shares they shall be deemed to hold the same as joint holders, subject to the following provisions:-

(i) the joint holders of any shares shall be liable, severally, as well as jointly, in respect of all payments which ought to be made in respect of such shares;

(ii) any one of such joint holders may give effectual receipts for any dividend, bonus or return of capital payable to such joint holders;

(iii) only the first-named of the joint holders of a share shall be entitled to delivery of the written confirmation of ownership relating to such share or to receive notices from the ICAV to attend general meetings of the ICAV. Any written confirmation of ownership delivered to the first-named of joint holders shall be effective delivery to all, and any notice given to the first-named of joint holders shall be deemed notice given to all the joint holders;

(iv) the vote of the first-named of joint holders who tenders a vote whether in person or by proxy shall be accepted to the exclusion of the votes of the other joint holders; and

(v) for the purpose of the provisions of this Clause, the first-named shall be determined by the order in which the names of the joint holders stand in the Register of Members.

(k) The ICAV shall not issue bearer certificates, either to first time subscribers in the ICAV or to existing Members in respect of shares already held by such Members.

- (l) The Directors shall also be entitled to charge a Member such fee as the Directors from time to time may determine in respect of the cost of confirmations of ownership.

8. VALUATION DATE

Subject as hereinafter provided, all issues of shares shall be effected or made with effect from any Valuation Date at the price per share obtained on the Valuation Date.

9. ISSUE OF SHARES

- (a) Subject as hereinafter provided on receipt by the ICAV of the following:-
- (i) a commitment letter or subscription agreement or any other application for shares in such form as the ICAV from time to time may determine;
 - (ii) such declarations as to the applicant's status, residence and otherwise as the ICAV from time to time may require;
 - (iii) certification from the applicant that the applicant is a Qualifying Investor and is aware of the risks of investing in the shares; and
 - (iv) payment for the shares within a reasonable time and in such manner as the ICAV from time to time may specify in the Prospectus (and/or in any drawdown notice), provided that if the ICAV receives payment for the shares in a currency other than the Base Currency or relevant Class Currency, the ICAV may convert or arrange for the conversion of the monies received into the Base Currency or relevant Class Currency and shall be entitled to deduct therefrom all expenses incurred in the conversion;

the ICAV may issue such shares in such class from time to time created by the ICAV at the relevant Initial Offer Price or at the Net Asset Value for each such share then obtaining unless otherwise specified in the Prospectus (or, at the absolute discretion of the ICAV in the case of (iii) above at the Net Asset Value for each such share on the Valuation Date immediately following the conversion of the monies received into the Base Currency, less Commission or other charge payable, if any) or may allot such shares pending receipt of cleared funds, provided that if cleared funds representing the subscription monies are not received by the ICAV, within such period as the Directors may determine, the Directors may cancel any allotment of shares in respect thereof. The Directors may decline to accept any application for the allotment or issue of shares in whole or in part and may cease to offer shares in the ICAV for allotment or issue for a definite period or otherwise. Shares will be issued on a forward pricing basis, meaning that the deadline for subscription applications shall precede the Valuation Point as more particularly set out in the Prospectus.

- (b) The ICAV shall, subject to the absolute discretion of the Directors, be entitled to receive securities or other investments from an applicant for shares and to sell, dispose of or otherwise convert such securities or investments into cash and to apply such cash (net of any expenses incurred in the conversion) for the purchase of shares in the ICAV in accordance with the provisions hereof.
- (c) Unless otherwise determined by the Directors, no issue of shares shall be made in respect of an application which would result in the applicant holding less than the Minimum Holding, if any.

- (d) Where permitted in the Prospectus or in the relevant Supplement, the Directors shall be entitled to issue fractional shares (hereinafter called "**Fractional Shares**") where the subscription monies received by the ICAV are insufficient to purchase an integral number of shares, provided, however, that Fractional Shares shall not carry any voting rights and provided further that the Net Asset Value of a Fractional Share of any class of shares shall be adjusted by the amount which such Fractional Share bears to an integral share of that class of shares at the time of issue and any dividend payable on such Fractional Shares shall be adjusted in like manner.
- (e) Where permitted in the Prospectus, some Members may obtain preferential treatment from time to time. The AIFM will seek to ensure the fair treatment of Members by adhering to the requirements of this Instrument of Incorporation, the Prospectus and any policies and procedures adopted by the ICAV or the AIFM in relation to the fair treatment of Members. The preferential treatment may apply to any type of Member (including Members who have legal or economic links with the ICAV or the AIFM) and may relate to fees, information rights, redemption rights or other matters. Information on the preferential treatment shall be made available to investors in the Prospectus or by any other means subject to the requirements of the AIFMD Regulations.

10. CONVERSION OF SHARES

Where provided for in, and subject to the terms of, the Prospectus and as hereinafter provided, Members may switch between Sub-Funds.

The ICAV shall, at its discretion, specify the switching/conversion rights relating to such Class of shares. This may be effected by way of conversion of the holding of shares in one Sub-Fund to the shares of another Sub-Fund. On the establishment of any new Sub-Fund or the creation of any new Class of shares in a Sub-Fund, the ICAV may specify the switching/conversion rights relating to such Sub-Fund or Class thereof in the Supplement relating to such Sub-Fund.

Members will be able to convert on any Dealing Day such minimum amount in value in any Sub-Fund (the "**Original Sub-Fund**") as may be specified by the ICAV, to shares of another Sub-Fund which are being offered at that time (the "**New Sub-Fund**"). If the conversion would result in the Member holding a number of shares in the Original Sub-Fund with a value of less than the Minimum Holding, the ICAV may, at its discretion, convert the whole of the applicant's holding of shares in the Original Sub-Fund or refuse to effect any conversion. Such conversion may be effected by application in writing through the Administrator or Registrar and Transfer Agent or in relation to any Sub-Fund.

No conversion will be made during any period in which the rights of Members to require the redemption of their shares are suspended.

The general provisions on procedures relating to subscription and redemption will apply equally to conversion.

Notice of conversion of shares from one Sub-Fund to another Sub-Fund which is irrevocable must be received in writing by the Administrator or Registrar and Transfer Agent or within the time limits specified for redemption of shares in the Original Sub-Fund and application for shares in the New Sub-Fund. The redemption proceeds in the original Sub-Fund will be applied towards the subscription/purchase of Shares in the New Sub-Fund.

The number of shares to be issued in any New Sub-Fund will be calculated in accordance with the following formula:-

$$A = \frac{(B \times C \times D - F)}{E}$$

where:-

A = the number of shares in the New Sub-Fund to be allocated;

B = the number of shares of the Original Sub-Fund to be converted;

C = the Net Asset Value per Share of the Original Sub-Fund on the relevant Dealing Day;

D = the currency conversion factor determined by the Administrator or Registrar and Transfer Agent, as representing the effective rate of exchange of settlement on the relevant Business Day applicable to the transfer of assets between the relevant Sub-Funds (where the base currencies of the relevant Sub-Funds are different) or where the base currencies of the relevant Sub-Funds are the same, D=1;

E = the Net Asset Value per Share (plus any applicable Anti-Dilution Levy) of the New Sub-Fund on the relevant Business Day;

F = Anti-Dilution Levy (if any) charged on redemption of Original Sub-Fund.

Where there is a conversion of shares, shares of the New Sub-Fund will be allotted and issued in respect of and in proportion to the shares of the Original Sub-Fund in the proportion A to B.

Notwithstanding the foregoing, a Member of a Sub-Fund may not switch into another Sub-Fund except in accordance with the terms of the Supplement for each Sub-Fund. Details of any switching rules specific to each Sub-Fund are set forth in the relevant Supplements.

Any foreign exchange gain or loss arising from the switching shall be borne by the switching Member.

Where provided for in, and subject to the terms of, the Prospectus, the ICAV may, at its discretion, also permit the conversion of the holding of shares in one class in a Sub-Fund to the shares of another class within the same Sub-Fund. Details of any such conversion rules shall be set forth in the Prospectus or the relevant Supplement.

11. PRICE PER SHARE

- (a) The Initial Offer Price per share at which the shares of any class shall be allotted or issued and the Commission payable on the Initial Offer Price and the Initial Offer Period in relation to any Sub-Fund shall be determined by the Directors. The ICAV may only offer shares at a fixed price after the close of the Initial Offer Period in relation to a Sub-Fund where the ICAV has confirmed to the Central Bank that existing Members of the Sub-Fund will not be prejudiced.
- (b) The price of any share following the Initial Offer Period in respect of such share shall be the applicable Net Asset Value of such share as determined in accordance with Clauses 15 and 16 adjusted in such manner as may be provided for in the Prospectus to cover any Commission or other charge payable. Where provided for in the Prospectus, in calculating the subscription price per share the Directors may on any Valuation Date when there are net subscriptions adjust the subscription price by adding an anti-dilution levy to cover dealing costs and to preserve the value of the underlying assets of the relevant Sub-Fund.

- (c) Where provided for in, and subject to the terms of, the Prospectus, the Directors may require an applicant for shares to pay to the ICAV in addition to the price per share such Duties and Charges in respect of the shares as the Directors from time to time may determine.
- (d) The Directors in respect of any Valuation Date may issue shares on terms providing for settlement to be made by the vesting in the ICAV of any investments for the time being held or which may be held hereunder and would qualify as investments of the relevant Sub-Fund in accordance with the investment objectives, policies and restrictions of the Sub-Fund and in connection therewith the following provisions shall apply:-
 - (i) in the case of a person who is not an existing Shareholder, no Shares shall be issued until the person concerned shall have completed and delivered an application form as required under the Prospectus and satisfied all of the relevant requirements in relation to such an application;
 - (ii) the nature of the investments transferred into the relevant Sub-Fund as determined by the ICAV, are such as would qualify as investments of the Sub-Fund in accordance with the investment objective, policy and restrictions of that Sub-Fund;
 - (iii) no Shares shall be issued until the investments shall have been vested in the Depositary to the Depositary's satisfaction and the Depositary shall be satisfied that the terms of such settlement will not be such as are likely to result in any prejudice to existing Shareholders of the Sub-Fund; and
 - (iv) any exchange shall be effected upon the terms that the number of Shares issued shall not exceed the number of Shares that would have been issued for a cash subscription provided however that the ICAV may make an appropriate adjustment for what it considers appropriate in respect of costs which would have been incurred by the ICAV in the acquisition of the investments by purchase for cash or for any costs to be paid to the ICAV as a result of the acceptance of the exchange.
- (e) No shares shall be issued in respect of any Sub-Fund for which the determination of the Net Asset Value is suspended pursuant to Clause 17 hereof.

12. QUALIFIED HOLDERS AND COMPULSORY REDEMPTIONS

- (a) The Directors shall have power (but shall not be under any duty) to impose such restrictions (other than a restriction on transfer which is not expressly referred to in this Instrument of Incorporation) as they may think necessary for the purpose of ensuring that no shares in the ICAV are acquired or held by any person as described in Clause 12(d).
- (b) The Directors may upon an application for shares or on a transfer or transmission of shares or at any other time and from time to time require such evidence or declarations to be furnished to them in connection with the matters stated in Clauses 12 (a) and (g) as they shall in their absolute discretion deem sufficient.
- (c) If a person becomes aware that he is holding or owning shares in contravention of Clause 12 he shall forthwith in writing request the ICAV to redeem such shares in

accordance with Clause 15 or shall transfer such shares to a person duly qualified to hold the same unless he has already received a notice under Clause 12(h).

- (d) If it shall come to the notice of the Directors or if the Directors shall have reason to believe that any shares are owned directly or beneficially by any person or person:-
- (i) who is not a Qualifying Investor;
 - (ii) in breach of the law or requirements of any country or governmental authority; or
 - (iii) in circumstances (whether directly or indirectly affecting such person or persons and whether taken alone or in conjunction with any other person or persons, connected or not, or any other circumstance appearing to the ICAV and the Administrator or Registrar and Transfer Agent to be relevant) where, in the opinion of the ICAV and the Administrator or Registrar and Transfer Agent, such holding might result in taxation, legal, pecuniary, regulatory or material administrative disadvantage to the ICAV or its Shareholders as a whole;
 - (iv) such redemption would eliminate or reduce the exposure of the ICAV or its Shareholders to adverse tax consequences;
 - (v) falling within such category of investor or person, as determined by the Directors in their sole discretion, set out in the Prospectus, from time to time,

the Directors shall be entitled to give notice (in such form as the Directors deem appropriate) to such person or persons requiring him or them to transfer such shares to a person who is qualified or entitled to own the same or to request in writing the redemption of such shares in accordance with Clause 15.

- (e) Furthermore, the Directors shall be entitled to give notice (in such form as the Directors deem appropriate) to such person or persons requiring him or them to transfer their shares to a person who is qualified or entitled to own the same or to request in writing the redemption of such shares in accordance with Clause 15, (a) upon the occurrence of such event or in such circumstances as may be provided for in the Prospectus and/or any Supplement, or (b) if, in the opinion of the Directors: (i) such person or persons fall within a category of person as described in Clause 12(d), (ii) such redemption would eliminate or reduce the exposure of the ICAV or its Shareholders to adverse tax consequences, (iii) the holding of Shares would prejudice the tax status or residence of the ICAV, cause the ICAV or its Shareholders to suffer any pecuniary, fiscal or regulatory disadvantage or cause the ICAV to be required to comply with any registration or like requirements in any jurisdiction where it would not otherwise be required to comply, or (iv) the holder thereof holds less than the Minimum Holding set by the Directors.
- (f) If any person upon whom such a notice is served as aforesaid does not within thirty (30) days of the date of such notice transfer such shares or request in writing the ICAV to redeem the shares he shall be deemed forthwith upon the expiration of thirty (30) days to have so requested the redemption of all of his shares which are the subject of such notice whereupon he shall be bound to deliver the confirmation of ownership in respect of the shares to the ICAV forthwith and the Directors shall be entitled to appoint any person to execute such documents as may be required for the purposes of the redemption. The deemed request to redeem the shares may not be withdrawn, notwithstanding that redemptions may have been suspended pursuant to Clause 17.

- (g) In the event that a Shareholder's Shares are compulsorily redeemed, the ICAV is under no obligation to pay such proceeds until such time as the ICAV, in its discretion, determines that the relevant Sub-Fund has sufficient cash to pay the proceeds. In such circumstances, the ICAV will inform the Shareholder in writing that his/her Shares have been redeemed and that the redemption proceeds will be paid at such time that the ICAV, in its discretion, determines that the Sub-Fund has sufficient cash for this purpose (either through subscriptions having been received into the Sub-Fund or cash having been received by the Sub-Fund on the disposal of an investment), and furthermore, where proceeds are paid in instalments, the dates on which those payments will be made.
- (h) Subject to any requisite official consents first having been obtained, settlement shall be effected by depositing the redemption monies or proceeds of sale in a bank for payment to the person entitled upon such consents being obtained and, if relevant, against production of such evidence of ownership as the Directors may require representing the shares previously held by such person, together with the redemption request duly signed. Upon deposit of such redemption monies as aforesaid such person shall have no further interest in such shares or any of them or any claim in respect thereof except the right to claim without recourse to the ICAV the redemption monies so deposited (without interest) upon such consents being obtained and against the production of the said evidence of ownership with the redemption request duly signed.

13. CAPITAL CALLS

Any uncalled Capital Commitment may be called by the ICAV by determination of the Directors pursuant to a Capital Call in the circumstances more particularly outlined in the Prospectus or Supplement for the relevant Sub-Fund.

14. DEFAULT PROVISIONS

Where any amount is not paid by a Member by the due date specified in the Capital Call, the Defaulting Member shall indemnify the relevant Sub-Fund against all liabilities that may be incurred by the relevant Sub-Fund as a result of the Defaulting Member's default and ICAV may impose sanctions and/or penalties in respect of such default, as will be more fully described in the relevant Supplement. In this regard, the Directors shall be permitted to take such action as it considers appropriate to ensure that any default by a Defaulting Member does not have any adverse effect upon the interests held by non-defaulting Members, individually or collectively. Further, if a Member fails to contribute any portion of its uncalled Capital Commitment on the date on which such portion of the uncalled Capital Commitment is due under a Capital Call (and fails to remedy such default within such period as set out in the Prospectus or Supplement) as described in the Prospectus or Supplement (a "**Shortfall Amount**"), the ICAV may declare such Member to be a Defaulting Member. In the event that a Member is declared a Defaulting Member, the ICAV has the power to pursue the following remedies.

- (i) In the event that a Member is declared a Defaulting Member, the ICAV shall have the right to sell the Shares of any Defaulting Member to any one or more other Members in the same Sub-Fund or, at the absolute discretion of the ICAV, to any third party or parties acceptable to the ICAV and who otherwise qualify as an eligible investor in accordance with the terms hereof. The proceeds of any such sale shall be applied as follows: (i) first, to reimburse the ICAV for any costs (including taxes) incurred in connection with such sale; (ii) then, to pay interest to the ICAV on any amounts due and owing by the Defaulting Member from the date the payment was due until the date of the sale; and (iii) then, to pay to the Defaulting Member a maximum amount equal to two-thirds of the net proceeds (including after

- deducting the amounts set forth in (i) and (ii) above) received in respect of the sale.
- (ii) Any remaining proceeds after payment of the amounts referred to above shall be retained by the ICAV and treated as income to the relevant Sub-Fund, and the Defaulting Member shall have no further rights thereto. A Defaulting Member shall also forfeit all rights to all the monies payable in respect of any Shares and not paid before the default.
 - (iii) As of the date of such sale, the transferee of such Defaulting Member's Shares shall become the owner of the Defaulting Member's Shares and shall be treated for all purposes as having made all payments made by the Defaulting Member pursuant to any Capital Calls, and shall be obligated to pay the entire remaining amount of the Defaulting Member's uncalled Capital Commitment (including payment in full in immediately available funds on the date of such sale of the portion of such Capital Commitment then due and payable, if any).
 - (iv) Effective as of such sale, the Defaulting Member shall cease to be a Member and shall have no further rights in or against the ICAV or the Sub-Fund and shall not be entitled to receive notice of, attend or vote at any general meeting of the ICAV or the Sub-Fund or Class or to participate in any subsequent votes or resolutions of Members.
 - (v) The ICAV shall have the sole authority to compromise any claim of a Sub-Fund relating to the obligation of any Member to fund a Capital Call, and no consent or approval of any other Member or other person shall be required for such purpose.
 - (vi) In the event that a Member is declared a Defaulting Member, the ICAV shall have the right to redeem all or part of the Defaulting Member's Shares and shall have right to cancel the Defaulting Member's undrawn Capital Commitment.
 - (vii) In addition to the above remedies the ICAV shall retain the right to pursue any other remedies as may be disclosed in the applicable Supplement and all other legal remedies available to it including the right to institute legal proceedings to collect all amounts due and owing by a Member together with all expenses incurred by the ICAV in the collection of the relevant amount. The ICAV shall not be obligated to exercise the remedy for default provided for herein and, at its absolute discretion, the ICAV may pursue any other available legal remedies or none at all.
- (b) If a Member becomes a Defaulting Member, then the procedure set forth below, unless otherwise provided for in the Prospectus, shall apply in respect of the resulting Shortfall Amount:-
- (i) the ICAV may in its absolute discretion determine to increase the amount of the applicable Capital Call required from each non-Defaulting Member on a *pro rata* basis based on the aggregate uncalled Capital Commitment of all non-Defaulting Members (up to an amount not exceeding any non-Defaulting Member's uncalled Capital Commitment);
 - (ii) to the extent any Shortfall Amount has not been fully funded under the foregoing sub-clause (i), the ICAV may also offer non-Defaulting Members the opportunity to increase their capital contributions for such Investment. If

any such non-Defaulting Member declines to invest in all or any portion of its share of the Shortfall Amount, such uncommitted amount will be offered to any non-Defaulting Member who has agreed to invest in its share of the Shortfall Amount and concurrently advised the ICAV of its willingness to increase its capital contribution in excess of such share, and the ICAV shall allocate such uncommitted amount among all such other non-Defaulting Members on a basis the ICAV determines; and

- (iii) to the extent any Shortfall Amount has not been fully funded under foregoing sub-clauses (i) and (ii), the ICAV may offer the remaining balance of such Shortfall Amount to any other person on such terms and conditions as the ICAV may determine.

15. REDEMPTION OF SHARES

- (a) Apart from circumstances in which a Shareholder is redeeming his entire holding of Shares, where permitted in the Prospectus or in the relevant Supplement, the Directors shall be entitled to issue fractional shares where the redemption monies for Shares are less than the Net Asset Value per Share, provided however that fractions shall not be less than .01 of a Share; and redemption monies, representing less than .01 of a Share will not be returned to a Shareholder but will be retained by the ICAV in order to defray administration costs.
- (b) The ICAV may, in its absolute discretion, at the request and with the consent of the redeeming Shareholder, redeem Shares of any class by way of delivery of investments provided that:
 - (i) a redemption request is delivered in writing to the Administrator or Registrar and Transfer Agent as required by the Prospectus and the redemption request otherwise satisfies all the requirements of the Administrator or Registrar and Transfer Agent as to such request;
 - (ii) the value thereof shall not exceed the amount which otherwise would have been payable on a cash redemption and provided that the transfer of investments (and all liabilities attached thereto) is carried out in consultation with and approved by the Depositary. Such value may be reduced by such amount as the ICAV may consider represents an appropriate provision for an Anti Dilution Levy in respect of costs which would have been incurred by the ICAV as a result of the direct transfer by the ICAV of the investments (and all liabilities attached thereto) or increased by such amount as the ICAV may consider represents an appropriate provision for an Anti Dilution Levy in respect of costs which would have been incurred by the ICAV in the disposition of the investments (and all liabilities attached thereto) to be transferred. The shortfall (if any) between the value of the investments transferred (and all liabilities attached thereto) on a redemption in specie and the redemption proceeds which would have been payable on a cash redemption shall be satisfied in cash. Any decline in the value of the investments to be transferred in settlement of a redemption between the relevant Dealing Day and the day on which investments are delivered to the redeeming Shareholders shall be borne by the redeeming Shareholders;
 - (iii) asset allocation is subject to the approval of the Depositary; and
 - (iv) the Depositary is satisfied that the terms of the exchange will not be such as are likely to result in any material prejudice to the Shareholders.

- (c) Where the redeeming Shareholder requests redemption of a number of Shares that represents 5% or more of the Net Asset Value of the Sub-Fund, the consent of the redeeming Shareholder in order to satisfy the redemption request in specie is not required and the ICAV may, in its discretion, redeem such Shares in accordance with paragraph (i) to (iv) above, provided that, if requested by the redeeming Shareholder to sell the investments on behalf of the Shareholder, the ICAV shall sell such investments on behalf of the redeeming Shareholder but the cost of such sale(s) can be charged to the redeeming Shareholder.

(1) Open-Ended Sub-Funds with Limited Liquidity

Subject always to the redemption provisions set out in the Prospectus or the relevant Supplement, the following provisions shall apply in respect of the redemption of Shares of open-ended Sub-Funds with limited liquidity:-

- (a) Depending on the nature of the Sub-Fund and as set out in the relevant Supplement, Members may have the limited right to request the redemption of shares. In this regard, the Directors, at their absolute discretion in accordance with this Instrument of Incorporation, the Prospectus and the ICAV Act, may notify Members that Members may request the redemption of shares issued in respect of any Sub-Fund on a Valuation Date designated by the Directors at the Net Asset Value per share.
- (b) The ICAV shall provide Members with a redemption notice as set out in the Prospectus which shall specify that shares held by a Member to a certain monetary amount may be redeemed provided that each such Member shall have a *pro rata* entitlement to redeem shares within the same class. Shares shall be redeemed at the Net Asset Value per share on the relevant Valuation Date (subject to such adjustments as set out in the Prospectus) and shall be cancelled on redemption. Settlement proceeds in respect of any redemption of shares shall be paid within the period specified in the Prospectus after the relevant Valuation Date. Subject to the provisions of the Prospectus, the right to request a redemption of shares of any class may be conditional on the receipt by the ICAV of redemption requests by Members holding a specified percentage of the shares in issue of the relevant Class as set out in the Prospectus.
- (c) Payment to a Member under this Clause will ordinarily be made in the Base Currency of the relevant Class or in any other freely convertible currency at the rate of exchange for conversion on the date of payment and shall be dispatched within the period specified in the Prospectus.
- (d) On redemption of part only of the shares held by any Member, the Directors shall procure that a revised share certificate or other evidence of ownership shall be issued free of charge for the balance of such shares.
- (e) In the event that a Member fails to provide information, representations, certificates or forms (or undertake any actions) requested by the ICAV or its delegates which is reasonably required to facilitate the ICAV's compliance with any applicable tax laws or regulations in any jurisdiction, the ICAV shall have full authority to: (i) cause a transfer of such Member's shares to a person or entity selected by the ICAV for any consideration that can be obtained for such shares; (ii) compulsorily redeem the shares held by the Member and cause such Member to withdraw as a Member for an amount determined by the ICAV; (iii) assign the shares to an alternative investment vehicle or new parallel vehicle formed at the expense of the Member (and whose expenses the Member will bear on an ongoing basis); or (iv) take any other steps as the ICAV determines in its absolute discretion are necessary or appropriate to mitigate the consequences of the ICAV's failure to comply with any applicable tax

laws or regulations in any jurisdiction resulting from the Member's failure to provide such information, representations, certificates or forms (or undertake any actions) requested by the ICAV or its delegates. If the ICAV determines, at its absolute discretion, to allow a Member to retain its shares, despite the fact that the Member has not provided the information, representations, certificates or forms (or undertaken any actions) requested by the ICAV or its delegates, it is possible that a withholding tax might be imposed in respect of certain of the ICAV's income, and, to the extent that such income is attributable to the Member, or in respect of, or distributions to, such Member, the ICAV shall have the right to cause the Member to bear the economic burden of such tax by specially allocating such tax to the shares held by the Member and/or or by withholding any such tax from or distributions to such Member.

- (f) In the event that the amount payable to a Member on a redemption is exceeded by the cost of dispatching, transmitting, effecting or otherwise making such payments to the Member, the ICAV shall be entitled to retain such redemption proceeds for the benefit of all of the remaining Members provided that in no event shall the value of such redemption proceeds exceed €20.00 (or its foreign currency equivalent) for any Member.
- (g) Where provided for in the Prospectus, the ICAV may compulsorily redeem shares as may be necessary to implement the equalisation of performance fees payable by Members or to effect any form of equalisation disclosed in the Prospectus and/or relevant Supplement. In addition, a form of equalisation interest payment may be payable by certain Shareholders in the context of any such equalisation arrangement, as may be disclosed in the relevant Supplement.
- (h) Where provided for in the Prospectus, one or more lock-up periods may be provided for, during which an investor will not have the ability to submit a redemption request without the prior written consent of the Directors.

(2) Closed-Ended Sub-Funds

- (a) Closed-ended Sub-Funds may be established with no right of redemption, subject to any conditions set down by the Central Bank. Each Sub-Fund shall terminate and the Directors will arrange for the issued and outstanding shares of each Sub-Fund to be redeemed at the Net Asset Value per share on the Final Redemption Day, provided that the Final Redemption Day may be deferred for a finite period at the discretion of the Portfolio Manager and subject to approval by a Special Resolution of the Sub-Fund. Following such redemption, the ICAV shall apply to the Central Bank for the withdrawal of the approval of the relevant Sub-Fund. Settlement proceeds shall be paid to Members of record as soon as practicable after the Final Redemption Day. Where the redemption of shares on the termination of a Sub-Fund would result in the number of Members falling below the legal minimum number of members set out in the ICAV Act or would result in the issued share capital of the ICAV falling below such minimum amount as the ICAV may be obliged to maintain under the ICAV Act, the ICAV may defer the redemption of such shares the redemption of which would result in such number or amount not being satisfied until the ICAV is wound up or until the ICAV procures the issue of sufficient shares to ensure that the aforesaid number and amount are satisfied. The ICAV shall be entitled to select the shares for such deferred redemption in such manner as it may deem fair and reasonable and as may be approved by the Depositary.

- (b) Payment to a Member under this Clause will ordinarily be made in the Base Currency of the relevant Class or in any other freely convertible currency at the rate of exchange for conversion on the date of payment and shall be dispatched within the period specified in the Prospectus.
- (c) Where the ICAV receives a request for the redemption of shares that, pursuant to the Prospectus or as otherwise determined by the Directors, are redeemable on the date of such request from any Member in respect of which the ICAV is required to account for, deduct or withhold tax, the ICAV shall be entitled to deduct from the proceeds of the redemption such amount of tax as the ICAV is required to account for, deduct or withhold and shall arrange to discharge the amount of tax due.
- (d) In the event that a Member fails to provide information, representations, certificates or forms (or undertake any actions) requested by the ICAV or its delegates which is reasonably required to facilitate the ICAV's compliance with any applicable tax laws or regulations in any jurisdiction, the ICAV shall have full authority to: (i) cause a transfer of such Member's shares to a person or entity selected by the ICAV for any consideration that can be obtained for such shares; (ii) compulsorily redeem the shares held by the Member and cause such Member to withdraw as a Member for such consideration as may be determined by the Directors and paid in the manner provided for in the Prospectus or as otherwise determined by the Directors; (iii) assign the shares to an alternative investment vehicle or new parallel vehicle formed at the expense of the Member (and whose expenses the Member will bear on an ongoing basis); or (iv) take any other steps as the ICAV determines in its absolute discretion are necessary or appropriate to mitigate the consequences of the ICAV's failure to comply with any applicable tax laws or regulations in any jurisdiction resulting from the Member's failure to provide such information, representations, certificates or forms (or undertake any actions) requested by the ICAV or its delegates. If the ICAV determines, at its absolute discretion, to allow a Member to retain its shares, despite the fact that the Member has not provided the information, representations, certificates or forms (or undertaken any actions) requested by the ICAV or its delegates, it is possible that a withholding tax might be imposed in respect of certain of the ICAV's income, and, to the extent that such income is attributable to the Member, or in respect of, or distributions to, such Member, the ICAV shall have the right to cause the Member to bear the economic burden of such tax by specially allocating such tax to the shares held by the Member and/or by withholding any such tax from or distributions to such Member.
- (e) Where provided for in the Prospectus, the ICAV may compulsorily redeem shares as may be necessary to implement the equalisation of performance fees payable by Members or to effect any form of equalisation disclosed in the Prospectus and/or relevant Supplement. In addition, a form of equalisation interest payment may be payable by certain Shareholders in the context of any such equalisation arrangement, as may be disclosed in the relevant Supplement.
- (f) Where redemption facilities are provided for in respect of a closed-ended Sub-Fund, where provided for in the Prospectus, one or more lock-up periods may be provided for, during which an investor will not have the ability to submit a redemption request without the prior written consent of the Directors.

(3) Open-Ended Sub-Funds

The following provisions shall apply in respect of the redemption of Shares of open-ended Sub-Funds:-

- (a) The ICAV may redeem its own outstanding fully paid shares at any time in accordance with the rules and procedures set out herein and in the Prospectus. Except as may be approved by the Central Bank and subject to such requirements as may be imposed by the Central Bank under the ICAV Act or any other enactment, a Member may at any time irrevocably request the ICAV to redeem all or any part of his shares in the ICAV and such request shall be in such form and shall be made in such manner and shall be received by such time as may be set out in the Prospectus or otherwise determined by the ICAV from time to time, provided that such redemption facilities are provided to Members on at least a quarterly basis or with such other frequency as may be permitted by the Central Bank.
- (b) A request for redemption of shares shall be in such form as the ICAV shall prescribe, shall be irrevocable and, unless otherwise provided for in the Prospectus, shall be filed by a Member in written form at the registered office of the ICAV, or at the office of the person or entity from time to time designated by the ICAV as its agent for the redemption of shares, and, at the request of the ICAV shall be accompanied by the confirmation of ownership (duly endorsed by the Member) or by proper evidence of succession or assignment satisfactory to the ICAV together with unmatured dividend coupons, if applicable. Shares shall be redeemed at a forward pricing basis, meaning that the deadline for receipt of redemption requests shall precede the Valuation Point.
- (c) On receipt of a request for redemption of shares duly completed the ICAV shall redeem the shares as requested on the relevant Dealing Day on which the redemption request is effective subject to any suspension of this redemption obligation pursuant to Clause 17 hereof. Shares in the capital of the ICAV which are redeemed by the ICAV shall be cancelled and the issued share capital of the ICAV reduced accordingly.
- (d) The redemption price per share shall be the applicable Net Asset Value for such share obtained on the Valuation Date in respect of the relevant Dealing Day, subject to such adjustments in respect of Commission or other charge as may be set out in the Prospectus or as provided for herein. The maximum charge (if any) shall be set out in the Prospectus. Where provided for in the Prospectus, in calculating the redemption price per share the Directors may on any Dealing Day when there are net redemptions adjust the redemption price by deducting an anti-dilution levy to cover dealing costs and to preserve the value of the underlying assets of the relevant Sub-Fund.
- (e) Payment to a Member under this Clause will ordinarily be made in the Base Currency or the relevant Class Currency and shall be dispatched within the period specified in the Prospectus which shall not exceed ninety (90) days (or such other number of days as may be permitted by the Central Bank) following acceptance of the redemption request as provided for in Clause 15(3)(a) above.
- (f) On redemption of part only of the shares held by any Member, at the request of the Member, the Directors shall procure that a revised confirmation of ownership shall be issued free of charge for the balance of such shares.
- (g) In the event that a redemption of part only of a Member's holding of shares leaves the Member holding less than the Minimum Holding the Directors may, if they think fit, require that the ICAV redeems the whole of that Member's holding.
- (h) If the ICAV receives requests for the redemption of shares in respect of ten (10) per cent or more of the Net Asset Value of any Sub-Fund on any Dealing Day (or twenty five (25) per cent in the case of a Sub-Fund with quarterly, or less frequent,

redemption facilities), the Directors may elect to restrict the total number of shares redeemed to ten (10) per cent of the Net Asset Value of such Sub-Fund (or twenty five (25) per cent in the case of a Sub-Fund with quarterly, or less frequent, redemption facilities), as appropriate, in which case such shares shall be redeemed rateably. The balance of such shares will be redeemed in priority to any subsequent redemption requests on the next Dealing Day, subject to the provisions of this Clause 15(3)(h) and to the suspension of any redemption obligation pursuant to Clause 18.

- (i) In the event that the ICAV is required to deduct, withhold or account for tax on shares held by a Member (whether upon a redemption of shares, a transfer of shares or otherwise) or upon the payment of a distribution to a Member (whether in cash or otherwise), the Directors shall be entitled to arrange for the redemption and cancellation of such number of the shares of such Member as are sufficient after the deduction of any redemption charges to discharge any such tax liability and the Directors may decline to register a transferee as a Member until such time as they receive from the transferee such declarations as to residency or status as they may require. The Depositary shall ensure that the redemption proceeds are held for the purpose of discharging any applicable tax liability as aforesaid.
- (j) Where the ICAV receives a request for the redemption of shares from any Member in respect of which the ICAV is required to account for, deduct or withhold tax, the ICAV shall be entitled to deduct from the proceeds of the redemption such amount of tax as the ICAV is required to account for, deduct or withhold and shall arrange to discharge the amount of tax due.
- (k) In the event that a Member fails to provide information, representations, certificates or forms (or undertake any actions) requested by the ICAV or its delegates which is reasonably required to facilitate the ICAV's compliance with any applicable tax laws or regulations in any jurisdiction, the ICAV shall have full authority to: (i) cause a transfer of such Member's shares to a person or entity selected by the ICAV for any consideration that can be obtained for such shares; (ii) compulsorily redeem the shares held by the Member and cause such Member to withdraw as a Member for such consideration as may be determined by the Directors and paid in the manner provided for in the Prospectus or as otherwise determined by the Directors; (iii) assign the shares to an alternative investment vehicle or new parallel vehicle formed at the expense of the Member (and whose expenses the Member will bear on an ongoing basis); or (iv) take any other steps as the ICAV determines in its absolute discretion are necessary or appropriate to mitigate the consequences of the ICAV's failure to comply with any applicable tax laws or regulations in any jurisdiction resulting from the Member's failure to provide such information, representations, certificates or forms (or undertake any actions) requested by the ICAV or its delegates. If the ICAV determines, at its absolute discretion, to allow a Member to retain its shares, despite the fact that the Member has not provided the information, representations, certificates or forms (or undertaken any actions) requested by the ICAV or its delegates, it is possible that a withholding tax might be imposed in respect of certain of the ICAV's income, and, to the extent that such income is attributable to the Member, or in respect of, or distributions to, such Member, the ICAV shall have the right to cause the Member to bear the economic burden of such tax by specially allocating such tax to the shares held by the Member and/or by withholding any such tax from or distributions to such Member.
- (l) In the event that the amount payable to a Member on a repurchase is exceeded by the cost of dispatching, transmitting, effecting or otherwise making such payments to the Member, the ICAV shall be entitled to retain such redemption proceeds for the benefit

of all of the remaining Members provided that in no event shall the value of such redemption proceeds exceed €20.00 (or its foreign currency equivalent) for any Member.

- (m) Where provided for in the Prospectus, the ICAV may compulsorily redeem shares as may be necessary to implement the equalisation of performance fees payable by Members.
- (n) Where the ICAV receives a request for the redemption of shares of an open-ended Sub-Fund from any Member in respect of which the ICAV is required to account for, deduct or withhold tax, the ICAV shall be entitled to deduct from the proceeds of the redemption such amount of tax as the ICAV is required to account for, deduct or withhold and shall arrange to discharge the amount of tax due.

16. TOTAL REDEMPTION

- (a) All of the Shares of any Sub-Fund or class thereof may be redeemed without penalty at the discretion of the ICAV if:
 - (i) the ICAV provides all relevant Shareholders with 30 days' notice in writing, or such greater period of notice if specified in the relevant Supplement;
 - (ii) on any Dealing Day falling 6 months after the first issue of shares in that Sub-Fund, the Net Asset Value of the relevant Sub-Fund has fallen to a level that, in the absolute discretion of the Directors, makes the Sub-Fund cease to be economically viable;
 - (iii) after the third anniversary of the first issue of the Shares in that Sub-Fund or class thereof, no asset has yet been identified for acquisition on behalf of the Sub-Fund, and the redemption proceeds shall be paid to the relevant Shareholders;
 - (iv) a majority of votes cast at a general meeting of the ICAV or the relevant Sub-Fund or class, as appropriate, approves the total redemption of the Shares;
 - (v) no replacement Depositary shall have been appointed during the period of ninety (90) days commencing on the date the Depositary or any replacement thereof shall have notified the ICAV of its desire to retire as Depositary or shall have ceased to be approved by the Central Bank;
 - (vi) no replacement AIFM shall have been appointed during the period of ninety (90) days commencing on the date the AIFM or any replacement thereof shall have notified the ICAV of its desire to retire as the ICAV's alternative investment fund manager or shall have ceased to be approved by the Central Bank; or
 - (vii) the Directors determine that terminating the Sub-Fund is in the best interests of the Shareholders as a whole.

17. DETERMINATION OF NET ASSET VALUE

- (a) The Net Asset Value of the ICAV and of each Sub-Fund or of each Class of Shares, as the case may be, will be calculated by the AIFM at the relevant Valuation Point for each Valuation Date in accordance with Clause 17 hereof and the Prospectus.

- (b) In order to determine the Net Asset Value per Share, the value of all securities and other assets held in the relevant Sub-Fund, as adjusted to take account of accrued income, less all the liabilities and accruals attributable to that Sub-Fund, will be divided by the total number of Shares of that class in issue at the Valuation Point
- (c) The Net Asset Values for each Sub-Fund (or attributable to each class of Shares within that Sub-Fund) shall be determined separately by reference to the Fund appertaining to that class of Shares and to each such determination the following provisions shall apply.
- (d) In respect of each Dealing Day the Net Asset Value of each Sub-Fund (and any class of Shares within such Fund) shall be determined and shall be equal to the value as at the Valuation Point in respect of that Dealing Day of all the assets, less all the liabilities, of that Fund. The Net Asset Value attributable to each class of Share of a Sub-Fund is divided by the number of Shares of such class in issue to give the Net Asset Value attributable to each Share of such class in that Sub-Fund.
- (e) Where a Sub-Fund is made up of more than one class of Shares, the Net Asset Value of each class of Shares will be calculated by determining that part of the Net Asset Value of each Sub-Fund attributable to each such class of Shares and dividing this value by the number of Shares of that class in issue to the nearest three decimal places to give the Net Asset Value per Share. Any increase or decrease in the Net Asset Value of each Sub-Fund will be allocated between the Share class based on their pro rata Net Asset Values. The Net Asset Value of Share class denominated in currencies other than the base currency of a Sub-Fund will be calculated using the relevant exchange rate prevailing at the relevant Valuation Point. The base currency of each Sub-Fund will be as set out in the applicable Supplement.
- (f) Where classes of Shares denominated in different currencies are created within a Sub-Fund and currency hedging transactions are entered into in order to hedge any relevant currency exposure, such transactions will be clearly attributable to the relevant class of Shares and any costs and gains/losses of the hedging transactions will accrue solely to that class of Shares. While it is not intended, overhedged or under-hedged positions may arise due to factors outside the control of the ICAV. If such circumstances do arise, the ICAV will keep positions under review to ensure that the leverage in respect of the relevant Fund does not exceed the limits set out in the relevant Supplement for the Sub-Fund. Furthermore, the Directors or AIFM will ensure that materially over-hedged or under-hedged positions will not be carried forward month to month. This strategy may substantially limit Shareholders of a Class of Shares from benefiting if the currency in which that class of Shares is denominated falls against the base currency of the relevant Sub-Fund and/or the currency in which the assets of the Sub-Fund are denominated.
- (g) The Net Asset Value of each Sub-Fund calculated pursuant to Clauses 17 and 18 herein, may be certified by the AIFM or by any other person authorised to give such certificate by the Directors or AIFM and any such certificate shall be binding and conclusive as to the Net Asset Value of such Sub-Fund in the absence of manifest error.
- (h) The Net Asset Value per Share will increase or decrease in accordance with profits earned or losses incurred by the ICAV.
- (i) In calculating the Net Asset Value, the AIFM shall (subject to the general liability standard provided for in the Administration Agreement) not be liable for any loss suffered by the ICAV by reason of any error resulting from any inaccuracy in the information provided by any third party pricing service that the AIFM is directed to use by the ICAV.

- (j) The assets of each Sub-Fund shall be determined to include inter alia:-
- (i) subscription monies receivable for shares allocated, all cash in hand, on deposit, or on call including any interest accrued thereon and all accounts receivable;
 - (ii) all bills, demand notes, certificates of deposit and promissory notes;
 - (iii) all bonds, forward currency transactions, time notes, shares, stock, convertibles, shares of or participation in collective investment schemes/mutual funds, debentures, debenture stock, subscription rights, warrants, futures contracts, options contracts, swap contracts, fixed rate securities, floating rate securities, securities in respect of which the return and/or redemption amount is calculated by reference to any index, price or rate, financial instruments and other investments and securities owned or contracted for by such Sub-Fund, other than rights and securities issued by it;
 - (iv) all stock and cash dividends and cash distributions to be received by such Sub-Fund and not yet received by it but declared to stockholders on record on a date on or before the day as of which the Net Asset Value is being determined;
 - (v) all interest accrued on any interest-bearing securities owned by such Sub-Fund except to the extent that the same is included or reflected in, the principal value of such security;
 - (vi) all other investments of such Sub-Fund;
 - (vii) the establishment expenses incurred in establishing such Sub-Fund and the cost of issuing and distributing shares of such Sub-Fund insofar as the same have not been written off: and
 - (viii) all other assets of such Sub-Fund of every kind and nature including prepaid expenses as valued and defined from time to time by the AIFM.
- (k) Subject to the ICAV Act any expense or liability of the ICAV may be amortised over such period as the Directors or AIFM (with the approval of the Auditors) may determine (and the Directors or AIFM may at any time and from time to time determine with the approval of the Auditors to lengthen or shorten any such period), and the unamortised amount thereof at any time shall also be deemed to be an asset of the ICAV.
- (l) The liabilities of a Sub-Fund shall be deemed to include all liabilities (including charges incurred on the acquisition and realisation of investments and such operating expenses referred to in Article 5(e)(iv) that the Directors consider to be attributable to a particular Sub-Fund, and such amount as the Directors or AIFM determines to provide in respect of contingent liabilities) of whatsoever kind and nature except liabilities represented by Shares in the ICAV. In determining the amount of such liabilities the Directors or AIFM may calculate any liabilities on an estimated figure for yearly or other periods in advance and accrue the same in equal proportions over any such period. Where the Directors or AIFM has created different classes of Shares within a Sub-Fund and have determined that each class will incur different levels of fees (the details of which shall be set out in a Supplement), the Net Asset Value per class shall be adjusted in order to reflect such different levels of fees payable in respect of each class.
- (m) The Directors, in conjunction with the AIFM may at any time temporarily suspend the calculation of the Net Asset Value of the ICAV or any Sub-Fund during the whole or part of:

- (i) any period during which one or more of a Sub-Fund's investments has suspended the determination of its or their net asset value(s) and/or has suspended redemptions or withdrawals.
 - (ii) any period when any of the principal markets or stock exchanges on which a substantial part of the investments of the relevant Sub-Fund are quoted is closed, otherwise than for ordinary holidays, or during periods in which dealings thereon are restricted or suspended;
 - (iii) the existence of any state of affairs which, in the opinion of the Directors, constitutes an emergency as a result of which disposal or valuation of a substantial part of the investments of the relevant Sub-Fund is not reasonably practicable or would be seriously detrimental to the interests of the Shareholders in the relevant Sub-Fund (or any class thereof);
 - (iv) any breakdown in the means of communication normally employed in determining the value of any portion of the investments of the relevant Sub-Fund or when for any reason the current prices on any market of a substantial part of the investments of the relevant Sub-Fund cannot be promptly and accurately ascertained;
 - (v) any period when the transfer of funds involved in the realisation or acquisition of any investments cannot, in the opinion of the Directors, be effected at normal rates of exchange;
 - (vi) any period when, in the opinion of the Directors, the effect of redemptions, including redemptions for which redemption requests have been received, would materially impair a Sub-Fund's ability to operate in pursuit of its objectives, or any of the remaining investors in that Sub-Fund (or any class thereof) would be unfairly and materially disadvantaged or the effect of redemptions would otherwise jeopardise the tax status of that Sub-Fund (or any class thereof);
 - (vii) subject to the approval of the Directors, during any other such period when, in the opinion of the Portfolio Manager to the ICAV, disposal of all or part of a Sub-Fund's assets, or determination of the Net Asset Value of the relevant Sub-Fund (or one or more classes thereof) would not be reasonable or practicable or would be prejudicial to the investors in that Sub-Fund (or any class thereof); or
 - (viii) any period when a resolution calling for the termination of the relevant Sub-Fund or the winding up of the ICAV has been proposed or the Sub-Fund is otherwise winding down its business.
- (n) Any such suspension will be notified to the Central Bank immediately (and in any event within the working day on which such suspension took effect) and shall be notified to the relevant Shareholders and applicants for Shares in such manner as the Directors may deem appropriate if, in the opinion of the Directors, it is likely to exceed fourteen (14) days and will be notified to applicants for Shares or Shareholders requesting issue or redemption of Shares of the relevant Sub-Fund by the Directors promptly following receipt of an application for such issue or filing of the written request for redemption. Where possible, all reasonable steps will be taken to bring any period of suspension to an end as soon as possible.
- (o) In the event the ICAV is required by US law or by agreement with the US Treasury Department or similar government division or department or by the IGA or

implementing legislation to withhold amounts in respect of any Shareholder, the ICAV will charge such Shareholder(s) Shares for such withholding, redeem all or a portion of such Shareholder's Shares or switch such Shareholder's Shares to a different class or classes with a reduced Net Asset Value so as to ensure that no other Shareholder in the ICAV will suffer any reduction in the value of their Shares as a consequence of such withholding.

18. VALUATION OF ASSETS

- (a) The Net Asset Value of the ICAV shall be calculated in accordance with the provisions of this Clause and the Prospectus and such calculation shall be carried out for each Valuation Date. Members shall be informed of the valuation(s) of Investments attributable to their shares in the manner provided for in the Prospectus or as otherwise determined by the AIFM.
- (b) The AIFM shall determine the Net Asset Value per Share as at each Valuation Point. Shares will not be issued or redeemed until the Net Asset Value per Share has been calculated.
- (c) The value of any Investments shall be calculated in accordance with the rules set out in below and in the Prospectus.
- (d) The valuation principles to be used in valuing the assets of each Sub-Fund are as follows:-
 - (i) The Net Asset Value of each Sub-Fund shall be determined and shall be equal to the value as at the relevant Valuation Point of all the assets, less all the liabilities, of that Sub-Fund.
 - (ii) Any expense or liability of the ICAV may be amortised over such period as the Directors (with the approval of the auditors) may determine (and the Directors may at any time and from time to time determine with the approval of the auditors to lengthen or shorten any such period), and the unamortised amount thereof at any time shall also be deemed to be an asset of the ICAV.
 - (iii) Assets shall be valued as follows:
 - (A) cash shall be valued at face value (plus accrued interest to the relevant Valuation Point) unless, in the opinion of the Directors or AIFM, any adjustment is necessary in order to reflect the fair value thereof;
 - (B) save as otherwise herein provided, listed securities quoted or dealt in on a regulated market shall be valued: (i) in the case of bonds, at the closing mid-market price; and, (ii) in the case of equities, at the official closing price or, if the official closing price is not available, the last traded price; in each case on the regulated market on which these assets are traded or admitted for trading (being the regulated market which is the sole or in the opinion of the Directors or AIFM the principal regulated market on which the investment in question is listed, quoted or dealt in). If such securities are dealt in on more than one regulated market, the relevant regulated market will be, in the sole opinion of the Directors or AIFM, the main regulated market on which such securities in question are listed, quoted or dealt in or the regulated market the AIFM determines provides the fairest criteria in a value of

the relevant security. If, in the sole opinion of the Directors or AIFM, the dealing price for the securities, calculated as at the Valuation Point is unavailable or not representative of the value of the securities, or in the context of unlisted securities or securities that are not quoted or dealt in on a regulated market, the value will be the probable realisation value, estimated with care and in good faith by the Directors or AIFM or such competent person(s) as may be appointed by the AIFM and approved for the purpose by the Depositary.

- (C) For the avoidance of doubt, in the event that activity occurs in any regulated market on which substantial assets (as determined by the Directors or AIFM) of any Fund are listed, quoted or dealt in on a weekday or weekdays falling between the date of any Dealing Deadline and the relevant Subscription or Redemption Date then the closing mid-market / official closing price or if not available the last traded price to be applied in determining the Net Asset Value of such assets shall be such closing mid-market / official closing price or if not available the last traded price at the Valuation Point in respect of the first weekday following the Dealing Deadline on which activity occurs in the regulated market in question;
- (D) forward foreign exchange contracts will be valued in accordance with paragraph (f) below, or, alternatively by reference to freely available market quotations. If such freely available market quotations are used, there is no requirement to have such prices independently verified or reconciled to the counterparty valuation on a monthly basis. As foreign exchange hedging may be utilised for the benefit of a particular class of Shares within a Sub-Fund, its costs and related liabilities and/or benefits will be reflected in the Net Asset Value per class for Shares of such class;
- (E) exchange traded futures and options contracts (including index futures) shall be valued at the settlement price as determined by the market in question. If such market price is not available, the value shall be the probable realisation value estimated with care and in good faith by the Directors or AIFM or such other competent person appointed by the Directors or AIFM approved for the purpose by the Depositary;
- (F) derivative instruments dealt in on a market shall be calculated at the settlement price as determined by the market in question, provided that where it is not the practice of the relevant market to quote a settlement price or if such settlement price is not available for any reason, such value shall be the probable realisation value estimated with care and in good faith by the Directors or AIFM or a competent person approved for the purpose by the Depositary;
- (G) where derivative instruments are not dealt in on a market, their value shall be the daily quotation from the counterparty and which will be verified on a weekly basis by a party independent of the counterparty and approved for the purpose by the Depositary. In accordance with the requirements of the Central Bank, such contracts may also be valued using an alternative valuation, such value determined using an alternative valuation methodology which will be provided by the ICAV or a competent person appointed by the ICAV and approved by the

Depository. Where such contracts will be valued using an alternative valuation:

- (1) the alternative valuation will be produced on a daily basis;
 - (2) the Directors or AIFM will follow international best practice and adhere to the principles on valuation of OTC instruments established by bodies such as IOSCO and AIMA;
 - (3) the alternative valuation is that provided by a competent person appointed by the Directors or AIFM and approved for the purpose by the Depository, or a valuation by any other means provided that the value is approved by the Depository; and
 - (4) the alternative valuation must be reconciled to the counterparty valuation on at least a monthly basis. Where significant differences arise these must be promptly investigated and explained.
- (H) at any time when prices are not available in respect of assets listed, quoted or dealt in on a regulated market in each case on the regulated market on which these assets are traded or admitted for trading (being the regulated market which is the sole or in the opinion of the Directors or AIFM the principal regulated market on which the investment in question is listed, quoted or dealt in), the value of the assets will be the probable realisation value estimated with care and in good faith by such competent person as may be appointed by the Directors or AIFM and approved for the purpose by the Depository;
- (I) any investments or assets not listed, quoted or dealt in on a regulated market shall be valued at the probable realisation value as estimated with care and in good faith by such competent persons as may be appointed by the Directors or AIFM and approved for the purpose by the Depository;
- (J) securities listed or traded on a regulated market but acquired or traded at a premium or at a discount outside or off the relevant market may be valued, taking into account the level of premium or discount at the date of the valuation with the approval of a competent person (approved for the purpose by the Depository). The competent person (having been approved for the purpose by the Depository) shall ensure that the adoption of such a procedure is justifiable in the context of establishing the probable realisation value of the security;
- (K) the value of units or shares or other similar participation in any investment fund shall be valued at the latest bid price or, if unavailable, the last available net asset value as published by the investment fund;
- (L) notwithstanding the foregoing the Directors or AIFM may permit some other method of valuation to be used for any particular asset if they consider that such valuation better reflects the fair value of that asset, such other method to be approved for such purpose by the Depository; and

- (M) the value of an asset may be adjusted by the Directors or AIFM where such an adjustment is considered necessary to reflect the fair value in the context of currency, marketability, dealing costs and/or such other considerations which are deemed relevant.
- (iv) For the purpose of valuing the ICAV's assets as aforesaid the Directors or AIFM may rely upon the opinions of any person(s) who appear to them to be competent to value assets by reason of any appropriate professional qualification or of experience of any relevant market. Such persons must be approved for the purpose by the Depositary.
- (v) Currencies or values in currencies other than in the currency of designation of a particular Sub- Fund shall be converted into the currency of designation of such Sub-Fund at the rate which the Directors or AIFM, after consulting with, or in accordance with a method approved by, the Depositary, deems appropriate in the circumstances.
- (vi) The AIFM may appoint or procure the appointment of an external valuer to the ICAV to perform the valuation function in accordance with the AIFMD Regulations and, in such case, references to this Clause 18 to the AIFM shall be deemed to include references to the external valuer acting in such a capacity. The AIFM has not been retained to act as external valuer or independent valuation agent of the ICAV.

19. TRANSFER AND TRANSMISSION OF SHARES

- (a) Transfers are only permitted where provided for in the Prospectus.
- (b) All transfers of shares shall be effected by a transfer in writing in any usual or common form and every form of transfer shall state the full name and address of the transferor and transferee.
- (c) The instrument of transfer of a share shall be signed by or on behalf of the transferor and need not be signed by the transferee. The transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register of Members in respect thereof.
- (d) A transfer of shares may not be registered if in consequence of such transfer the transferor or the transferee would hold a number of shares less than the Minimum Holding or would result in a contravention of this Instrument of Incorporation or would produce a result inconsistent with any provision of the Prospectus. Only investors who certify that they are Qualifying Investors and that they are aware of the risks involved in the proposed investment and that inherent in such investment is the potential to lose all of the sum invested shall be entered on the Register of Members as a Member.
- (e) The Directors may decline to register any transfer of shares at their absolute discretion and as more particularly set out in the Prospectus. Without limitation the Directors may decline to register any transfer of shares unless the instrument of transfer relates only to one class of shares and is deposited at the registered office of the ICAV or at such other place as the Directors may reasonably require, with such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer.

- (f) If the Directors decline to register a transfer of any share they shall, within two months of the date on which the transfer was lodged with the ICAV, send to the transferee written notice of the refusal, where permitted to do so by applicable law.
- (g) The registration of any transfers may be suspended at such times and for such periods as the Directors from time to time may determine, **PROVIDED ALWAYS** that such registration of transfers shall not be suspended for more than thirty (30) days in any calendar year.
- (h) All instruments of transfer which shall be registered shall be retained by the ICAV subject to Clause 39, but any instrument of transfer which the Directors may decline to register shall (except in the case of fraud or where such is not permitted by applicable law) be returned to the person depositing the same.
- (i) In the case of the death of a Member, the survivors or survivor where the deceased was a joint holder, and the executors or administrators of the deceased where he was a sole or surviving holder, shall be the only person recognised by the ICAV as having title to his interest in the shares, but nothing in this Clause shall release the estate of the deceased holder whether sole or joint from any liability in respect of any share solely or jointly held by him.
- (j) Any guardian of an infant Member and any guardian or other legal representative of a Member under legal disability and any person entitled to a share in consequence of the death, insolvency or bankruptcy of a Member shall, upon producing such evidence of his title as the Directors may require, have the right either to be registered himself as the holder of the share or to make such transfer thereof as the deceased or bankrupt Member could have made, but the Directors shall, in either case, have the same right to refuse or suspend registration as they would have had in the case of a transfer of the share by the infant or by the deceased, insolvent or bankrupt Member before the death, insolvency or bankruptcy of the Member under legal disability before such disability.
- (k) A person so becoming entitled to a share in consequence of the death, insolvency or bankruptcy of a Member shall have the right to receive and may give a discharge for all monies payable or other advantages due on or in respect of the share, but he shall not be entitled to receive notice of or to attend or vote at meetings of the ICAV, nor save as aforesaid, to any of the rights or privileges of a Member unless and until he shall be registered as a Member in respect of the share **PROVIDED ALWAYS THAT** the Directors may at any time give notice requiring any such person to elect either to be registered himself or to transfer the share and if the notice is not complied with within ninety (90) days the Directors may thereafter withhold all moneys payable or other advantages due in respect of the share until the requirements of the notice have been complied with.

20. INVESTMENT OBJECTIVES

The Prospectus shall, where appropriate, set out details of the size, portfolio structure and investment strategies and objectives of the Sub-Funds. Under the current Rules, the ICAV is deemed to be a collective investment scheme for marketing solely to Qualifying Investors. Consequently the minimum subscription will be the amount prescribed by the Central Bank from time to time and which, at the date of this Instrument of Incorporation, is €100,000 or its equivalent amount in any other currencies (other than the case of Knowledgeable Employee).

21. GENERAL MEETINGS

- (a) All general meetings of the ICAV shall be held in Ireland.
- (b) Subject to Clause 21(c), the ICAV shall in each year hold a general meeting as its annual general meeting in addition to any other meeting in that year. Subject to Clause 21(c), not more than fifteen months shall elapse between the date of one annual general meeting of the ICAV and that of the next **PROVIDED THAT** if the ICAV holds its first annual general meeting within eighteen months after the date on which the registration order made by the Central Bank in respect of the ICAV comes into effect, the ICAV need not hold any other meeting as its annual general meeting in the year of its incorporation or in the following year. Subject to Clause 21(c), subsequent annual general meetings shall be held once in each year as determined by the Directors from time to time at such time and place in Ireland as may be determined by the Directors.
- (c) The Directors may elect to dispense with the holding of an annual general meeting by giving 60 days' written notice to the Members. An election under this Clause has effect for the year in which it is made and subsequent years, but does not affect any liability already incurred by reason of default in holding an annual general meeting. Where an election under this Clause has effect for a year:-
 - (i) one or more Members holding, or together holding, not less than 10 per cent of the voting rights in the ICAV, or
 - (ii) the Auditor,may require the ICAV to hold an annual general meeting in that year by giving notice in writing to the ICAV in the previous year or at least one month before the end of that year and the ICAV shall hold the required meeting.
- (d) All general meetings (other than annual general meetings) shall be called extraordinary general meetings.
- (e) The Directors may call an extraordinary general meeting whenever they think fit and extraordinary general meetings shall be convened on such requisition, or in default may be convened by such requisitionists, and in such manner as provided by the ICAV Act.

22. NOTICE OF GENERAL MEETINGS

- (a) At least fourteen Clear Days' notice specifying the place, the day and the hour of the meeting, and in the case of special business the general nature of such business (and in the case of an annual general meeting specifying the meeting as such) shall be given in the manner hereinafter mentioned to such persons as are under the provisions hereof or the conditions of issue of the shares held by them entitled to receive notices from the ICAV.
- (b) The Directors, the AIFM and the Auditors shall each be entitled to receive notice of, and attend and speak at, any general meeting of the ICAV.
- (c) In each notice calling a meeting of the ICAV, there shall appear with reasonable prominence a statement that a Member entitled to attend and vote is entitled to appoint one or more proxies to attend and vote instead of him and that a proxy need not also be a Member.

- (d) The accidental omission to give notice to, or the non-receipt of notice by, any person entitled to receive notice shall not invalidate the proceedings at any general meeting.

23. PROCEEDINGS AT GENERAL MEETINGS

- (a) All business that is transacted at an extraordinary general meeting and all business that is transacted at an annual general meeting, with the exception of the election of Directors in the place of those retiring, the reappointment of the retiring Auditors and the fixing of the remuneration of the Auditors, shall be deemed special.
- (b) No business shall be transacted at any general meeting unless a quorum is present. Two Members present either in person or by proxy shall be a quorum for a general meeting provided that, in the event that there is only one Member in a Sub-Fund or class, the quorum shall be one Member present in person or by proxy at the meeting. A representative of a corporation authorised pursuant to Clause 24(m) to be present at any meeting of the ICAV shall be deemed to be a Member for the purpose of a quorum.
- (c) If within half an hour from the time appointed for a meeting a quorum is not present, the meeting, if convened on the requisition of or by Members, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week, at the same time and place or to such other day and at such other time and place as the Directors may determine.
- (d) The chairman or, if absent, the deputy chairman of the ICAV, or failing him, some other Director nominated by the Directors shall preside as chairman at every general meeting of the ICAV, but if at any meeting neither the chairman nor the deputy chairman nor any other Director is present within fifteen minutes after the time appointed for holding the meeting, or if none of them are willing to act as chairman, the Directors present shall choose some Director present to be chairman, or if no Directors are present, or if all the Directors present decline to take the chair, the Members present shall choose some Member present to be chairman.
- (e) The chairman may, with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting), adjourn the meeting from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place. When a meeting is adjourned for fourteen (14) days or more seven (7) clear days' notice at the least specifying the place, the day and the hour of the adjourned meeting, shall be given as in the case of the original meeting but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting. Save as aforesaid, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.
- (f) At any general meeting, a resolution put to the vote of the meeting shall be decided on a show of hands unless before or upon the declaration of the result of the show of hands a poll is demanded by the chairman or by three (3) Members or by any Members present representing at least one tenth in number or value of the shares in issue having the right to vote at the meeting. Unless a poll is so demanded, a declaration by the chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority, and an entry to that effect in the book containing the minutes of the proceedings of the ICAV shall be conclusive

evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

- (g) If a poll is duly demanded, it shall be taken in such manner and at such place as the chairman may direct (including the use of ballot or voting papers or tickets) and the result of a poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
- (h) The chairman may, in the event of a poll, appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.
- (i) In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall have a second or casting vote.
- (j) A poll demanded on the election of a chairman and a poll demanded on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken at such time and place as the chairman directs not being more than thirty (30) days from the date of the meeting or adjourned meeting at which the poll was demanded.
- (k) The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded.
- (l) A demand for a poll may be withdrawn and no notice need be given of a poll not taken immediately.
- (m) If at any time the share capital is divided into different classes of shares, the rights attached to any class (unless otherwise provided by the terms of issue of the shares of that class or unless otherwise provided herein) may, whether or not the ICAV is being wound up, be varied at the absolute discretion of the Directors with the consent in writing of all of the holders of shares in that class or the approval of three-fourths of the holders of shares in that class, by value, represented or present and voting at a separate general meeting of the holders of the shares of that class, to which the provisions of this Instrument of Incorporation relating to general meetings shall *mutatis mutandis* apply.
- (n) Subject to the provisions of the ICAV Act and except where otherwise prescribed by the ICAV Act, a resolution in writing signed by all of the Members for the time being entitled to attend and vote on such resolution at a general meeting (or being bodies corporate by their duly authorised representative) shall be as valid and effective for all purposes as if the resolution had been passed at a general meeting duly convened and held, and may consist of several documents in like form each signed by one or more persons, and if described as a Special Resolution shall be deemed to be a Special Resolution within the meaning of the ICAV Act. Any such resolution shall be served on the ICAV.

24. VOTES OF MEMBERS

- (a) On a show of hands every Member who is present in person or by proxy shall have one vote.
- (b) Each of the Shares entitles the holder to attend and vote at any general meeting PROVIDED THAT the holder of a Subscriber Share shall not be entitled to exercise any

voting rights in respect of any Subscriber Share at any time that Participating Shares are held by more than one Member.

- (c) On a poll every Member present in person or by proxy shall be entitled to one vote in respect of each share held by him.
- (d) In the case of joint holders of a share, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register of Members in respect of the shares.
- (e) No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the chairman of the meeting, whose decision shall be final and conclusive.
- (f) On a poll, votes may be given either personally or by proxy.
- (g) On a poll, a Member entitled to more than one vote need not, if he votes, use all his votes or cast all the votes he uses in the same way.
- (h) The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorised in writing, or if the appointor is a corporation, either under its common seal or under the hand of an officer or attorney so authorised. The appointment of a proxy by electronic means shall be effective only in such form as the Directors may approve. An instrument of proxy shall be in any usual form or in such form as the Directors may approve **PROVIDED ALWAYS THAT** such form shall give the holder the choice of authorising his/her proxy to vote for or against each resolution.
- (i) Any person (whether a Member or not) may be appointed to act as a proxy. A Member may appoint more than one proxy to attend on the same occasion.
- (j) The instrument appointing a proxy and the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of such power or authority, shall be deposited at the registered office of the ICAV or at such other place as is specified for that purpose in the notice of meeting or in the instrument of proxy issued by the ICAV not later than the deadline for receipt of proxies set out in the notice of meeting and if the aforesaid conditions are not complied with the instrument of proxy shall not be treated as valid. Where the appointment of a proxy and any authority under which it is signed is to be received by the ICAV in electronic form, it may also be received where an address has been specified by the ICAV for the purpose of receiving Electronic Communications:-
 - (i) in the notice convening the meeting;
 - (ii) in any appointment of proxy sent out by the ICAV in relation to the meeting;
or
 - (iii) in any invitation contained in an Electronic Communication to appoint a proxy issued by the ICAV in relation to the meeting.
- (k) No instrument appointing a proxy shall be valid after the expiration of twelve months from the date named in it as the date of its execution, except at an adjourned meeting

or on a poll demanded at a meeting or an adjourned meeting in cases where the meeting was originally held within twelve months from such date.

- (l) The Directors may at the expense of the ICAV send, by post or otherwise, to the Members instruments of proxy (with or without prepaid postage for their return) for use at any general meeting or at any meeting of any class of Members, either in blank or nominating in the alternative any one or more of the Directors or any other persons as proxy. If for the purpose of any meeting invitations to appoint as proxy a person or one of a number of persons specified in the invitations are issued at the expense of the ICAV, such invitations shall be issued to all (and not to some only) of the Members entitled to be sent a notice of the meeting and to vote thereat by proxy.
- (m) A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the death or insanity of the principal or the revocation of the instrument of proxy, or of the authority under which the instrument of proxy was executed, or the transfer of the shares in respect of which the instrument of proxy is given, provided that no intimation in writing of such death, insanity, revocation or transfer shall have been received by the ICAV at the registered office of the ICAV, before the commencement of the meeting or adjourned meeting at which the instrument of proxy is used.
- (n) Any body corporate which is a Member may authorise by resolution of its Directors or other governing body such person as it thinks fit to act as its representative at any meeting of the ICAV and the person so authorised shall be entitled to exercise the same powers on behalf of the body corporate which he represents as that body corporate could exercise if it were an individual Member and such body corporate shall for the purposes of these presents be deemed to be present in person at any such meeting if a person so authorised is present thereat.
- (o) The provisions of Clauses 21, 22, 23 and 24 shall apply *mutatis mutandis* to meetings of each Sub-Fund, or class of Members.

25. DIRECTORS

- (a) The number of the Directors shall not be less than two or, unless otherwise determined by the ICAV by Ordinary Resolution, more than twelve. The first Directors shall be appointed by the subscribers herein.
- (b) A Director need not be a Member.
- (c) The Directors shall have power at any time and from time to time to appoint any person to be a Director, either to fill a casual vacancy or as an addition to the existing Directors.
- (d) Subject to the prohibition on tax-free payments to Directors contained in the ICAV Act, the Directors shall be entitled to such remuneration in relation to the performance of their duties as the Directors may from time to time determine. The Directors and any alternate Directors may also be paid all travelling, hotel and other expenses properly incurred by them in attending and returning from meetings of the Directors or any committee of the Directors or general meetings or any meetings in connection with the business of the ICAV.
- (e) The ICAV shall not make any payment to a Director by way of compensation for loss of office, or as consideration for or in connection with retirement for loss of office, or as

consideration for or in connection with retirement from office, unless the following conditions are first satisfied:-

- (i) that particulars relating to the proposed payment (including its amount) are disclosed to the Members; and
 - (ii) that the proposal is approved by resolution of the ICAV in general meeting.
- (f) The Directors may, in addition to such remuneration as is referred to in Clause 25(d) hereof grant special remuneration to any Director who, being called upon, shall perform any special or extra services to or at the request of the ICAV.
- (g) The Directors shall not be required to retire by rotation.
- (h) The ICAV at any general meeting at which a Director retires or is removed shall fill the vacated office by electing a Director unless the ICAV shall determine to reduce the number of Directors.
- (i) The office of a Director shall be vacated by a Director in any of the following events, namely:-
- (i) if he resigns his office by notice in writing signed by him and left at the registered office of the ICAV;
 - (ii) if he becomes bankrupt or makes any arrangement or composition with his creditors generally;
 - (iii) if he becomes of unsound mind;
 - (iv) if he ceases to be a Director by virtue of, or becomes prohibited from being a Director by reason of an order made under the provisions of any law or enactment;
 - (v) if he is requested by a majority of the other Directors (not being less than two in number) to vacate office; or
 - (vi) if he is removed from office by an Ordinary Resolution.
- (j) At least seven (7) days previous notice in writing shall be given to the ICAV of the intention of any Member or Members to propose any person other than a retiring Director for election to the office of Director and such notice shall be accompanied by notice in writing signed by the person to be proposed confirming his willingness to be appointed **PROVIDED ALWAYS THAT** if the Members present at a general meeting unanimously consent, the chairman of such meeting may waive the said notices and submit to the meeting the name of any person so nominated, provided such person confirms in writing his willingness to be appointed and **PROVIDED FURTHER THAT** the nomination of any person other than a retiring Director for election as Director may be made only by a Director or by such Member or Members holding in the aggregate shares representing not less than 10 per cent of the Net Asset Value of the ICAV on the Valuation Date preceding the date of nomination.
- (k) At a general meeting a motion for the appointment of two or more persons as Directors by a single resolution shall not be made unless a resolution that it shall be so made has been first agreed to by the meeting without any vote being given against it.

- (l) Any Director may at any time by instrument in writing (whether in electronic form or otherwise in writing) under his hand and deposited at the registered office, or delivered at a meeting of the Directors, appoint any Director or other person to be his alternate Director and may in like manner at any time terminate such appointment.
- (m) The appointment of an alternate Director shall determine if his appointor ceases to be a Director or on the happening of any such event which if he were a Director would cause him to vacate such office.
- (n) An alternate Director shall be entitled to receive notices of meetings of the Directors and shall be entitled to attend and vote as a Director at any such meeting at which the Director appointing him is not personally present and generally at such meeting to perform all functions of his appointor as a Director and for the purposes of the proceedings at such meeting the provisions hereof shall apply as if he (instead of his appointor) were a Director. If he himself shall be a director, or shall attend any such meeting as an alternate for more than one Director, his voting rights shall be cumulative, provided, however, that he shall count as one for the purposes of determining a quorum. If his appointor is for the time being temporarily unable to act, his signature to any resolution in writing of the Directors or any other document executed on behalf of the ICAV shall be as effective as the signature of his appointor. To such extent as the Directors may from time to time determine in relation to any committee of the Directors, the foregoing provisions of this paragraph shall also apply *mutatis mutandis* to any meeting of any such committee of which his appointor is a member. An alternate Director shall not (save as aforesaid or as otherwise herein provided) have power to act as a Director nor shall he be deemed to be a Director.
- (o) An alternate Director shall be entitled to contract and be interested in and benefit from contracts or arrangements or transactions and to be repaid expenses and to be indemnified to the same extent *mutatis mutandis* as if he were a Director but he shall not be entitled to receive from the ICAV in respect of his appointment as alternate Director any remuneration except only such part (if any) of the remuneration otherwise payable to his appointor as such appointor may by notice in writing to the ICAV from time to time direct.

26. DIRECTORS, OFFICES AND INTERESTS

- (a) The Directors may appoint one or more of their body to the office of managing Director or joint managing Director or to any other executive office under the ICAV (including, where considered appropriate, the office of chairman) on such terms and for such period as they may determine and, without prejudice to the terms of any contract entered into in any particular case, may revoke any such appointment at any time.
- (b) A Director holding any such executive office shall receive such remuneration, whether in addition to, or in substitution for, his ordinary remuneration, as a Director and whether by way of salary, commission, participation in profits or otherwise or partly in one way and partly in another, as the Directors may determine.
- (c) The appointment of any Director to the office of chairman or managing or joint managing Director shall determine automatically if he ceases to be a Director but without prejudice to any claim for damages for breach of any contract of service between him and the ICAV.
- (d) The appointment of any Director to any other executive office shall not determine automatically if he ceases from any cause to be a Director unless the contract or

resolution under which he holds office shall expressly state otherwise, in which event such determination shall be without prejudice to any claim for damages for breach of any contract of service between him and the ICAV.

- (e) A Director may hold any other office or place of profit under the ICAV (except that of Auditor) in conjunction with his office of Director, and may act in a professional capacity to the ICAV, on such terms as to remuneration and otherwise as the Directors may arrange.
- (f) Any Director may continue to be or become a director, managing director, manager or other officer or member of any company promoted by the ICAV or in which the ICAV may be interested, and no such Director shall be accountable for any remuneration or other benefits received by him as a director, managing director, manager, or other officer or member of any such other company. The Directors may exercise the voting power conferred by the shares in any other company held or owned by the ICAV or exercisable by them as directors of such other company, in such manner in all respects as they think fit (including the exercise thereof in favour of any resolution appointing themselves or any of them directors, managing directors, managers or other officers of such company, or voting or providing for the payment of remuneration to directors, managing directors, managers or other officers of such company).
- (g) Subject to the provisions of the ICAV Act, and provided that he has disclosed to the Directors the nature and extent of any direct or indirect interest of his, a Director notwithstanding his office:-
 - (i) may be a party to, or otherwise interested in, any transaction or arrangement with the ICAV or in which the ICAV is interested; and
 - (ii) shall not be accountable, by reason of his office, to the ICAV for any benefit which he derives from any such office or employment or from any such transaction or arrangement or from any interest in any such body corporate and no such transaction or arrangement shall be liable to be avoided on the ground of any such interest or benefit.
- (h) No Director or intending Director shall be disqualified by his office from contracting with the ICAV either as vendor, purchaser or otherwise, nor shall any such contract or any contract or arrangement entered into by or on behalf of the other ICAV in which any Director shall be in any way interested be avoided nor shall any Director so contracting or being so interested be liable to account to the ICAV for any profit realised by any such contract or arrangement by reason of such Director holding that office or of the fiduciary relationship thereby established. The nature of a Director's interest must be declared by him at the meeting of the Directors at which the question of entering into the contract or arrangement is first taken into consideration, or if the Director was not at the date of that meeting interested in the proposed contract or arrangement at the next meeting of the Directors held after he became so interested, and in a case where the Director becomes interested in a contract or arrangement after it is made, at the first meeting of the Directors held after he becomes so interested.
- (i) A copy of every declaration made and notice given under this Clause shall be entered within three (3) days after the making or giving thereof in a book kept for this purpose. Such book shall be open for inspection without charge by any Director, Secretary, Auditor or Member at the registered office of the ICAV and shall be produced at every general meeting of the ICAV and at any meeting of the Directors if any Director so requests in sufficient time to enable the book to be available at the meeting.

- (j) For the purposes of this Clause:-
- (i) a general notice given to the Directors by a Director to the effect that he is a member of a specified Irish collective asset management vehicle or a specified company or firm and is to be regarded as interested in any contract which may, after the date of the notice, be made with that Irish collective asset management vehicle, company or firm, or he is to be regarded as interested in any contract which may after the date of the notice be made with a specified person who is connected with him within the meaning of section 77 of the ICAV Act shall be deemed to be a sufficient declaration of interest in relation to any such contract **PROVIDED HOWEVER** that no such notice shall be of effect unless either it is given at a meeting of the Directors or the Director takes reasonable steps to secure that it is brought up and read at the next meeting of the Directors after it is given;
 - (ii) an interest of which a Director has no knowledge and of which it is unreasonable to expect him to have knowledge shall not be treated as an interest of his; and
 - (iii) a Director shall not be required to declare his interest where that interest cannot reasonably be regarded as likely to give rise to a conflict with the interests of the ICAV.
- (k) Save as otherwise provided by this Instrument of Incorporation, a Director shall not vote at a meeting of the Directors or a committee of Directors on any resolution concerning a matter in which he has, directly or indirectly, an interest which is material or a duty which conflicts or may conflict with the interests of the ICAV. Unless otherwise resolved by the Directors, a Director shall not be counted in the quorum present at a meeting in relation to any such resolution on which he is not entitled to vote.
- (l) A Director shall be entitled (in the absence of some other material interest than is indicated below) to vote (and be counted in the quorum) in respect of any resolution concerning any of the following matters, namely:-
- (i) the giving of any security, guarantee or indemnity to him in respect of money lent by him to the ICAV or any of its Subsidiaries or Associated Companies or obligations incurred by him at the request of or for the benefit of the ICAV or any of its Subsidiaries or Associated Companies;
 - (ii) the giving of any security, guarantee or indemnity to a third party in respect of a debt or obligation of the ICAV or any of its Subsidiaries or Associated Companies for which he himself has assumed responsibility in whole or in part under a guarantee or indemnity or by the giving of security;
 - (iii) any proposal concerning any offer of shares or other securities of or by the ICAV or any of its Subsidiaries or Associated Companies for subscription, purchase or exchange in which offer he is or is to be interested as a participant in the underwriting or sub-underwriting thereof; or any proposal concerning any other body corporate, company, or trust, partnership or other body of persons in which he is or is to be interested, directly or indirectly and whether as an officer, shareholder, employee or otherwise.
- (m) Where proposals are under consideration concerning the appointment (including fixing or varying the terms of appointment) of two or more Directors to offices or

employments with the ICAV such proposals may be divided and considered in relation to each Director separately and in such case each of the Directors concerned (if not otherwise debarred from voting) shall be entitled to vote (and be counted in the quorum) in respect of each resolution, except that concerning his own appointment.

- (n) If a question arises at a meeting of Directors or of a committee of Directors as to the materiality of a Director's interest or as to the right of any Director to vote and such question is not resolved by his voluntarily agreeing to abstain from voting, such question may be referred, before the conclusion of the meeting, to the chairman of the meeting and his ruling in relation to any Director other than himself shall be final and conclusive.
- (o) For the purpose of this Clause, an interest of a person who is the spouse or a minor child of a Director shall be treated as an interest of the Director and, in relation to an alternate Director, an interest of his appointor shall be treated as an interest of the alternate Director.
- (p) The ICAV by Ordinary Resolution may suspend or relax the provisions of this Clause to any extent or ratify any transaction not duly authorised by reason of a contravention of this Clause.

27. POWERS OF DIRECTORS

- (a) The business of the ICAV shall be managed by the Directors, who may exercise all such powers of the ICAV as are not by the ICAV Act, by the Rules or hereby required to be exercised by the ICAV in general meeting, subject, nevertheless, to the provisions of the ICAV Act, to the Rules and to the regulations herein contained being not inconsistent with the aforesaid regulations as may be prescribed by the ICAV in general meeting, but no regulations made by the ICAV in general meeting shall invalidate any prior act of the Directors which would have been valid if such regulations had not been made. The general powers given by this Clause shall not be limited or restricted by any special authority or power given to the Directors by this or any other Clause.
- (b) All cheques, promissory notes, drafts, bills of exchange and other negotiable or transferable instruments drawn on the ICAV, and all other receipts for moneys paid to the ICAV shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, in such manner as the Directors from time to time shall by resolution determine.
- (c) Subject to the limits and conditions set forth in the AIFMD Regulations and in the Prospectus and subject to the provisions of this Instrument of Incorporation, the Directors may exercise all the powers of the ICAV to invest the ICAV's assets. The Directors may exercise all the powers of the ICAV to invest all or any funds of the ICAV as authorised by this Instrument of Incorporation and may establish Subsidiaries in the circumstances specified by the Central Bank and subject to the conditions imposed by the Central Bank, including restrictions on the Subsidiary acting other than under the control of the ICAV and restrictions on any person or entity other than the ICAV holding shares in the Subsidiary.
- (d) The Directors may authorise the redemption of shares in connection with any equalisation arrangements concerning the calculation of performance fees as set out in the Prospectus.

28. BORROWING AND INVESTMENT POWERS

Subject to the limits and conditions set forth in the ICAV Act and in the Prospectus for a Sub-Fund or otherwise laid down by the Central Bank and subject to the provisions of this Instrument of Incorporation (including, without limitation, Clause 29(j) hereof), the Directors may exercise all the powers of the ICAV to make and dispose of Investments, borrow money, (including the power to borrow for the purpose of repurchasing shares) and hypothecate, mortgage, charge or pledge its undertaking, property, and assets or any part thereof, whether outright or as collateral security for any debt, liability or obligation of the ICAV.

29. PROCEEDINGS OF DIRECTORS

- (a) The Directors may meet together for the dispatch of business, adjourn and otherwise regulate their meetings as they think fit. Questions arising at any meeting shall be determined by a majority of votes. In the case of an equality of votes, the chairman shall have a second or casting vote. A Director may, and the Secretary on the requisition of a Director shall, at any time summon a meeting of the Directors.
- (b) The quorum necessary for the transaction of business of the Directors may be fixed by the Directors and, unless so fixed at any other number, shall be two.
- (c) The continuing Directors or a sole continuing Director may act notwithstanding any vacancies in their number but, if and so long as the number of Directors is reduced below the minimum number fixed by or in accordance with the provisions hereof, the continuing Directors or Director may act for the purpose of filling vacancies in their number or of summoning general meetings of the ICAV, but not for any other purpose. If there be no Directors or Director able or willing to act, then any two Members may summon a general meeting for the purpose of appointing Directors provided that, in the event that there is only one Member in the ICAV, then that Member may summon a general meeting for the purpose of appointing Directors.
- (d) The Directors may from time to time elect or remove a chairman and, if they think fit, a deputy chairman and determine the period for which they respectively are to hold office.

- (c) Subject to any policy statement and procedures in relation to dividends for the relevant Sub-Fund set forth in the Prospectus, the amount available for distribution in respect of any class of shares in any Accounting Period shall be:

- (j) In the event that the amount payable to a Member as a dividend is exceeded by the cost of dispatching, transmitting, effecting or otherwise making such payments to the Member, the ICAV shall be entitled to retain such dividends for the benefit of the relevant Member until such time as the amount payable to the Member is not exceeded by the cost of dispatching, transmitting, effecting or otherwise making such payments to the Member. - (ii) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable on shares in respect of which the share election has been duly exercised (the "**Elected Shares**"), and *in lieu* thereof additional shares shall be issued to the holders of the Elected Shares on the basis determined as aforesaid and for such purpose the Directors shall capitalise a sum equal to the aggregate value of the dividends in respect of which elections have been made and apply the same in paying up in full the appropriate amount of unissued shares;
- (iii) the additional shares so issued shall rank *pari passu* in all respects with the fully paid shares then in issue save only as regards participation in the relevant dividend (or share election *in lieu*);
- (iv) the Directors may do all acts and things considered necessary or expedient to give effect to any such capitalisation, with full power to the Directors to make such provision as they think fit in the case of shares becoming distributable in fractions so that fractional entitlements are disregarded or rounded up or the benefit of fractional entitlements accrues to the ICAV; and
- (v) the Directors may on any occasion determine that rights of election shall not be made available to any Member with registered addresses in any territory where in the absence of a registration statement or other special formalities

the circulation of an offer of rights of election would or might be unlawful, and in such event the provisions aforesaid shall be read and construed subject to such determination.
