Follow the signs to Regionalbahnhof in Terminal 1/ Level 0 where the "S-Bahn" trains can be found. Take a S8 or S9 train heading for Offenbach or Hanau. Exit at the station Frankfurt Hauptbahnhof (takes approx. 24 minutes).

From Frankfurter Hauptbahnhof continue your journey with one of the following S-Bahn trains: S3 for Bad Soden (Taunus), S4 for Kronberg (Taunus), S5 for Bad Homburg v.d.H or S6 for Friedberg, and leave the train at the station Frankfurt Messe. Take the pedestrian bridge to cross to the other side of the road where the "Messe" (Trade Fair) building is located. Cross the pedestrian lights in the same direction that you are going and carry on down the footpath on the Emser Brücke for a good 200 meters until you see a second set of steps on the right. Go down the steps and then turn right to carry on under the rail underpass. After the rail underpass you will see the building (number 70) on the right (total distance approx. 350 meters, 6 minutes).

Alternatively you can take the tram number 16 (Ginnheim) or number 17 (Rebstockbad) to the station Var-

rentrapstraße. Turn left into Varrentrapstraße and continue for around 200 meters until you reach the end of this road. Now turn to the right and head down Theodor-Heuss-Allee for around 250 meters until you reach building number 70 (total distance approx. 450 meters or 6 minutes). And you've arrived – welcome!
